I. INTRODUCTION

A. OVERVIEW

The regulations and instructions in this manual govern employees who provide court reporting services for the State of Illinois. This manual is intended to instruct each Court Reporting Services (CRS) employee of the responsibilities, requirements, and policies of his or her employment, and to provide guidelines to the Chief Judges for the administration of the reporting services in each circuit.

For the purposes of this manual, CRS employees include employees working under the titles: official court reporter, court specialist and any other personnel who may be responsible for taking the official court record. Additionally, this manual's employment policies apply to all other supervisory, administrative, and clerical employees under Court Reporting Services. For any employee group which has entered into a collective bargaining agreement, the agreement shall supersede this manual to the extent any inconsistency exists.

All CRS employees shall be provided a copy of this document either through print or web address. Any new employees shall be provided a copy of this document upon employment. It is the responsibility of all CRS employees to familiarize themselves with these regulations. Any questions should be directed to your Chief Judge, supervisor, or Court Reporting Services.

Nothing contained herein is intended or should be construed as a promise of continued employment, nor as an expressed or implied contract for employment. Nothing contained in these regulations shall operate to change, alter, or modify the at-will employment status of non-union employees or the collective bargaining agreement for union employees. It should be expressly understood that at-will employment and compensation are for no definite period of time, and the Chief Judge or the employee may terminate the employment relationship at any time with or without cause and with or without notice. The Chief Judges reserve the right to change any provision contained in this manual.

C. DEFINITIONS

Common terminology is defined below as it applies to CRS employees regarding employment policies.

Administrative Authority - The administrative authority for CRS employees is the Chief Judge of the circuit in which they are appointed and his or her designee(s).

Anniversary Date - An employee's anniversary date is the cumulative service time with the State of Illinois, or a county employed as a court reporter. This time can be consecutive or non-consecutive. This day, either the 1st or 16th of a month, is the date on which salary step increases are determined and may or may not be the same as the Calculated Service Date (see below).

Appointment Date - The date of the most recent appointment to a permanent Court Reporting Services position either through previous employment under the Supreme Court or under Court Reporting Services. Per diem, seasonal, limited duration or otherwise temporary service does not affect the appointment date. This is the most recent date of hire, and often not the same as the Calculated Service Date or Anniversary Date (see below).

Calculated Service Date (CSD) – The date assigned to each employee which determines the cumulative service time for vacation benefits only. This date is unrelated to the monthly service credits for pension calculations. The CSD for a new hire without prior service is the first day of the pay period in which the employee was hired. In determining the CSD for employees with prior service on the State or a county payroll, Court Reporting Services will determine the date based upon the total length of calculated service and may not correspond to the actual first day of employment. This date does not necessarily reflect uninterrupted service and may be not the same as the Appointment Date (see above). This date will be adjusted for periods of unpaid leave not classified as FMLA.

Code of Conduct - The document created by Court Reporting Services, under the direction of the Chief Judges, to inform and instruct CRS employees on proper conduct during their employment.

Compensatory Time - Compensatory time must be approved and is awarded when an employee has worked more than 40 hours in a workweek and is provided at the rate of one and one-half times the number of hours over 40 in that week. The policy is adopted to comply with the Fair Labor Standards Act of 1938 (29 U.S.C. § 207).

Court Reporting Services - The Court Reporting Services unit is the administrative staff for the Chief Judges to assist in the administration and management of court reporting issues located in Springfield. The administrative staff are employed by the Chief Judges, not the Office of the Comptroller.

Disability - As defined by the Americans with Disability Act (ADA), to be considered an individual with a disability the individual must satisfy at least one of the following characteristics:

1. having a physical or mental impairment that substantially limits one or more of that person's major life activities;
2. having a record of such an impairment; or
3. being regarded as having such an impairment.

Employee(s) - CRS employees, which include employees working under the titles: official court reporter, court specialist and any other personnel who may be responsible for taking the official court record. When employment policies are addressed, all other supervisory, administrative, and clerical employees are also included in this definition.

Employer Group - One of three (3) groups of employees as defined by 5 ILCS 315/3(o-5)(3): (Group 1) Circuit Court of Cook County; (Group 2) 12th Judicial Circuit, 18th Judicial Circuit, 19th Judicial Circuit and the 22nd Judicial Circuit; and (3) all other circuits.

Employer Representative – The Chief Judges' roles as the employer representative as outlined in 5 ILCS 315/3(o-5)(3) consists of three groups: (1) Circuit Court of Cook County; (2) 12th Judicial Circuit, 18th Judicial Circuit, 19th Judicial Circuit and the 22nd Judicial Circuit; and (3) all other circuits.

Executive Committee of Chief Judges - A committee formed of a representative chief judge from each employer group and the Chairperson of the Conference of Chief Judges to make decisions and administer statewide court reporting policies.

Fair Labor Standards Act of 1938 - This Act provides for minimum standards for both wages and overtime entitlement and spells out administrative procedures by which covered work time must be compensated. Included in the Act are provisions related to child labor, equal pay, and portal-to-portal activities. In addition, the Act exempts specified employees or groups of employees from the application of certain provisions.

Family and Medical Leave Act of 1993 (FMLA) - This Act provides an “eligible” employee up to 12 weeks of unpaid leave in a rolling 12-month period. Family leave may be provided to “eligible” employees for the following reasons: (1) Childbirth, adoption, and foster care. This entitlement expires 12 months from the date of birth or placement; (2) Caring for a child, spouse or parent who has a serious health condition; and (3) The inability of the employee to perform the functions of his/her job due to the employee’s own serious health condition.

Full-Time Employees - CRS employees who work the full allocation of working days in a pay period.

Immediate Family

- a. A group of individuals living under one roof, having one head of the household and usually, but not always, having a common ancestry, and including the employee's spouse.
- b. Adoptive, custodial, "in-law" individuals, stepchildren, and stepparents, when residing in the employee's household but excluding persons not otherwise related of the same or opposite sex sharing the same living quarters but not meeting any other criteria for family.
- c. For purposes of bereavement leave, the definition of immediate family is extended to include parents, siblings, children, adoptive individuals, "in-law" individuals, stepchildren, stepparents, grandparents, grandchildren, and the parent of the employee's minor child(ren) whether or not residing in the employee's household.

Leave of Absence - As used in this manual, leave of absence shall refer to paid or unpaid time off work for nonoccupational illness or injury, family leave or for personal reasons. All leaves of absence must be approved in accordance with the Leave of Absence policies contained in this manual or within the employee's collective bargaining agreement.

Non-occupational Illness or Injury - An injury or illness that is unrelated to the employee's work responsibilities and/or the workplace.

Occupational Illness or Injury - Injuries that occur in the workplace or in conjunction with work responsibilities and illnesses or diseases that are the result of the workplace. Repetitive motion injuries, such as carpal tunnel

syndrome, may be considered an occupational injury. (See also Total Temporary Disability (TTD), Worker's Compensation).

Part-time Employee - An employee who works less than the standard number of working days in a pay period. Payroll, leave benefits, and all other benefits are prorated to the percentage of time worked.

Per Diem Reporter - A court reporter who is appointed on a temporary basis to an approved position to cover court proceedings. Per diem reporters are paid in full or half day increments and are not entitled to insurance, vacation, or sick leave benefits.

Total Temporary Disability (TTD) - An employee's status when he or she has been found compensable for worker's compensation benefits (see also Occupational Illness and Injury, Worker's Compensation)

Transition Year - The calendar year in which an employee begins earning at a higher vacation schedule. The employee will earn vacation at the higher vacation schedule the first day of the month of their calculated service date. Depending on the month the change is effective, a transition year may or may not result in an increase in vacation awarded for the entire year.

Worker's Compensation - Benefits in the form of compensation and payment of medical expenses for accidental injuries, occupational illnesses or death suffered in the course of employment. (See also Occupational Illness and Injury, Total Temporary Disability).

C. PROFICIENCY PROMOTIONS AND EXAMINATIONS

If a court reporter advances to a higher-level title due to a proficiency increase, he or she will receive a 5% salary increase for each level of advancement. For example, an OCR2 to an OCR3 would receive 5%; an OCR2 to an OCR4 would receive 10% salary increase. Promotions are effective the first day of the following pay period from the time Court Reporting Services receives the results.

The following examinations are prepared and administered by Court Reporting Services for employment certification and advancement opportunities:

1. **Part A Proficiency Examination** - this stenographic exam consists of two parts: a 5-minute testimony portion at 190 words per minute and a 5-minute general portion at 150 words per minute. Both portions must be passed with at least 95% accuracy. Both portions of this exam do not need to be passed at the same time. New employees with CSR licenses who do not already have this certification must successfully complete this exam within one (1) year of employment.

Employees may take this exam to obtain realtime proficiency, to practice for the National Court Reporters Association's Certified Realtime Reporter examination and/or to qualify for the Official Court Reporter 4 position.

All examinations will be scheduled in the employee's circuit and should be coordinated through the supervisor by contacting Court Reporting Services.

D. APPOINTMENTS AND ALLOCATION OF PERSONNEL

1. General

The Chief Judge is the employer of the CRS employees and has the authority to hire, appoint, promote, evaluate, discipline and discharge employees within that judicial circuit. CRS employees are not required to be Illinois residents, however for new employees, preference shall first be given to qualified Illinois applicants.

As a need arises, a Chief Judge may request that the Executive Committee review the budget appropriation to approve additional Court Reporting Services positions.

The Chief Judge assigns all personnel to specific duties within the circuit and may assign an employee to any county within the circuit. The Chief Judge may temporarily assign an employee to work outside of the circuit in which he or she is appointed.

Implementation of a rotational schedule by the Chief Judge is recommended. CRS employees should be pooled and rotated at regular intervals as determined by the Chief Judge. The purpose of rotation is to evenly distribute workloads among courts with heavier or lighter cases or transcript volume. A rotation schedule should act to equalize transcript workloads. Such rotation shall occur on a circuit-wide or countywide basis as determined by the Chief Judge.

The Chief Judge should insure that in trials lasting more than five (5) days, an adequate rotation of court reporters is utilized to prevent any difficulties in providing a transcript in a timely manner in protracted cases.

The Chief Judge is neither required, nor prohibited, from rotating all employees, regardless of title, into electronic recording control rooms.

2. Court Reporting Services Supervisors

Each Chief Judge shall designate a Court Reporting Services supervisor. A Chief Judge may wish to designate the court administrator or administrative assistant as the supervisor. Such supervisors shall maintain close contact with Court Reporting Services and assist in maintaining an efficient statewide reporting service.

It is the duty of each supervisor to instruct CRS employees as to their duties and to see that they are properly carried out. If any employee is not capable of performing his or her duties, it is the obligation of the supervisor to advise the Chief Judge.

The supervisor should monitor and follow up on transcripts and reports which must be filed by CRS employees. Supervisors should monitor compliance with performance standards for the preparation of transcripts.

Increased opportunities for supervisors to perform administrative functions are essential to maintaining efficient court reporting services in Illinois. By limiting reporting assignments for supervisors who possess CSR licenses, supervisory staff may more properly attend to the management of court reporting resources, thereby assuring adequate courtroom coverage, providing complete and accurate vouchers and monitoring compliance with the regulations contained herein. Court Reporting Services supervisors who possess CSR licenses should only be assigned to stenographic reporting in courtrooms in emergency coverage situations or upon completion of all supervisory duties.

3. Part-Time Positions

A “part-time” position means an employee works less than the standard number of work hours in the regular pay period. The Chief Judge may determine if his or her circuit will allow for part-time employees based on their circuit needs. A circuit with a part-time position may or may not have another part-time position to equal a full-time position.

Part-time CRS employees shall meet all obligations of a full-time CRS employee.

4. Per Diem and Contract Reporters

If a circuit has an open vacancy for a full-time court reporter, they may utilize a per diem court reporter without additional approval, until a permanent employee is hired. Per diem reporters may also be requested for temporary and/or emergency coverage of courts. Upon approval of a per diem position, the Chief Judge may appoint multiple reporters to this position. However, the number of reporters utilized at one time shall not exceed the number of approved positions.

Per diem reporters may be used in full or half day increments. Per diem reporters are paid monthly on a salary schedule set by the Chief Judges. Attendance records for per diem reporters should be entered into WebHR for each date they are present and are due to Court Reporting Services immediately after the last working day of the month.

Per diem reporters are considered employees, and taxes are withheld from pay warrants. Per diem reporters have the option to utilize the Deferred Compensation benefit and begin earning pension credit in the State Employees Retirement System. Per diem reporters are not eligible for paid leave benefits, or insurance benefits.

When a former State of Illinois employee who is receiving pension benefits is appointed to a per diem position, he/she will be classified as a non-pensioned employee and will not be restricted to a maximum number of days worked per year.

Court Reporting Services may contract with private reporting firms for emergency or temporary coverage in courts.

E. RESPONSIBILITIES AND REQUIREMENTS OF CRS EMPLOYEES

1. General

Reducing the spoken word to a verbatim report is only the first requirement of CRS employees. In addition, CRS employees must be adept at vocabulary, particularly legal, medical, and other technical terminology. CRS employees must be excellent grammarians and spellers and must also be familiar with the laws and rules relating to the responsibilities of the position.

CRS employees shall make a full reporting of the evidence and such other proceedings in trials and judicial proceedings to which he or she is assigned. It is the duty of a stenographic CRS employee to record verbatim all that is said during every court proceeding to which he or she is assigned. When a transcript is prepared, CRS employees are to transcribe verbatim without editing or correcting what was said.

CRS employees come in personal contact with many people and must always be cooperative and courteous. The demeanor of the CRS employee in the courtroom should be that of quietness and dignity. The CRS employee should not engage in idle conversation and should not transact business in the courtroom with lawyers or parties except as may be necessary to the case on trial or the proceedings being heard. Since the CRS employee is an officer of the court, he or she should dress appropriately as the other officers of the court do and should avoid extremes in dress.

Promptness and attention to detail are essential. During the proceedings, the CRS employee must keep a record of witnesses and exhibits and must be alert to obtain any information necessary to make a proper transcript. The type of information to be obtained will vary with what is being reported.

While a CRS employee may, and should, interrupt proceedings when it is necessary to assure a complete and accurate record, his or her requests for clarification, etc., should be stated politely and succinctly and should be timed, when possible, so as not to interrupt a question, answer or comment of the court, counsel or witness. These requests should be directed to the court unless the court authorizes otherwise.

A CRS employee is an impartial recorder of the verbatim record of the proceedings. Because of the impartial character of this function, a CRS employee should not display partiality or undue friendliness to any of the contesting parties or their counsel and should not express opinions about the proceeding or its participants. Under no circumstances may a CRS employee suggest in any way his or her personal feelings about any matter occurring in the courtroom, particularly during a jury trial.

All CRS employees serving the courts or assigned to any judicial hearing or proceeding must comply with all applicable statutes, administrative orders, court rules and regulations promulgated by Chief Judges, and any amendments thereof. This obligation extends not only to full-time CRS employees, but to all CRS employees serving on a part-time or per diem basis. Dereliction of duty relative to any obligation of the CRS employee may result in appropriate discipline.

To the extent that it does not substantially interfere with the CRS employees' other official duties, a CRS employee may be assigned to office or clerical duties arising out of official court operations.

2. Oath of Office

All CRS employees are required to subscribe to an oath to perform their duties faithfully. All CRS employees appointed permanently or temporarily must execute the oath before entering upon their duties. The oath shall be filed with the Clerk of the Circuit Court and shall continue in force until revoked by the Chief Judge of the circuit in which the employee is appointed.

3. Confidentiality of Proceedings

“Confidential proceedings” as defined by the Administrative Office of the Illinois Courts’ (AOIC) Standards for Security of the Official Record of Court Proceedings (pursuant to Supreme Court Rule 46) includes adoption, juvenile, grand jury, search warrants, mental health and in-camera proceedings. Other proceedings may be deemed confidential by order of the court.

a. Confidential Transcripts

Transcripts of confidential proceedings shall be handled as provided for in AOIC’s Standards. Additionally, transcripts of confidential proceedings shall not be provided to any person or entity which is not a party to the case except as ordered by the court. CRS employees shall not be held responsible for unauthorized publication or dissemination of transcripts of court proceedings unless it is determined that the employee was directly responsible for or negligent in preventing public release.

b. Confidential Communications and Other Functions

The following functions performed by CRS employees shall not be considered a violation of the Supreme Court’s Confidentiality Policy:

- Any job function which is required or permitted to be performed pursuant to rule, statute, court order, or regulation
- Discussing relevant case information with other court personnel, attorneys, and/or litigants during the functions of their employment
- Informing a judge or supervisor of information acquired either in the course of employment or through unauthorized disclosure by another which the employee felt should be shared with a person of authority for their information and/or guidance ☐
- All other functions or actions expressly authorized by the Chief Judge.

CRS employees shall not discuss confidential information with individuals who are not court personnel or a party to a case unless directed to do so by a judge or supervisor. If there is any question of whether specific information is to be considered confidential, the employee should request direction from a judge or supervisor.

4. Retention of Notes and Electronic Recordings

Stenographic notes and/or electronic media containing court proceedings stenographically recorded by a CRS employee and electronic recordings of court proceedings shall be retained for the time periods defined by Supreme Court Rule 46 and the Administrative Office of the Illinois Courts' Standards for Security of the Official Record of Court Proceedings or as required by the Illinois Shorthand Reporters Act (225 ILCS 415/26.1), whichever is greater. CRS employees are encouraged to use electronic and/or online backup methods, such as those outlined in paragraph 5 below, to retain notes indefinitely.

5. Storage of Notes and Electronic Files

Notes and electronic files containing original records of court proceedings are the property of the court and shall be retained by the court and stored in a secure manner. Paper notes shall be stored in suitable facilities until any retention period required by rule or law has passed. Facilities for storing paper notes and electronic media are available at most courthouses. Each CRS employee is responsible for the safekeeping of notes, electronic files, and electronic media which he or she produces and should ensure they are properly stored as required by this provision and local customs.

All CRS employees, including per diem reporters and Court Specialists, shall upload electronic files of court proceedings to their online directory through ShareFile. All official court reporters hired on or after January 1, 2015, must have adequate equipment to meet the requirement of this provision as it pertains to stenographic notes from their writers. Employees who do not have a ShareFile account may request access by contacting Court Reporting Services.

The types of files which should be uploaded include raw stenographic notes, dictionaries, translated files, completed transcripts, and audio (if available) to the employee's online directory. A supervisor may request access to view the files and receive email notifications when new files are uploaded to ensure compliance.

Files shall be uploaded monthly, at a minimum, however, it is recommended that they are uploaded once a week for optimum security of the court records. If the file name does not include a hearing date or case number identification, a subdirectory with a name reflecting at least the month and year should be utilized. The preferred naming format for the month and year folder is: "YYYY-MM".

Files uploaded on or after March 2016 will remain online indefinitely. The files kept on ShareFile should not be the only copy of a file. In addition to the copy the state is keeping, it is recommended that CRS employees backup files for themselves to an external hard drive and store the device in a separate location from their equipment. It is highly recommended that older copies of files be uploaded as well, especially if stored on removable media such as diskettes, CDs, or flash drives as this type of storage media has a high probability of failure or corruption.

All employees as of January 1, 2015, who do not have the proper equipment to upload raw stenographic notes and other files from court reporting software must upload, at a minimum, files of completed transcripts in PDF format. Employees who do not have access to an internet connection during regular

work hours will not be required to backup files through ShareFile. However, those employees should provide a copy of the files with the circuit through other means.

It is the preference that the reporter who created the files produce the transcripts from those files, and he or she will always retain the first right of transcription. A former employee must keep contact information up to date with the circuit in order to retain this right. Since time is of the essence with transcript requests, a former employee must acknowledge a transcript request within seven (7) calendar days or the circuit may provide the transcript using alternative means. In the event it becomes necessary to transcribe proceedings which were taken by a reporter who is no longer employed by the court, nothing in these regulations shall be construed as prohibiting the Chief Judge from requiring the former employee who covered the proceedings to prepare the transcript. A former employee who transcribes notes of proceedings taken while he or she was in the employ of the court shall be compensated in accordance with the Uniform Schedule of Charges for Transcripts (Appendix A).

6. Realtime Translations of Court Proceedings and CART Services

Any CRS employee with the proper equipment and realtime skills may provide realtime translation services as necessary for judges, court personnel and other parties involved in court proceedings to which the employee is assigned. Special requests for realtime translation in cases to which a reporter is not normally assigned shall be approved by the administrative authority. Realtime certification is not required to provide realtime translation, but it is highly recommended.

No additional fees may be charged by a CRS employee for realtime translation services. Rough draft (unedited) text file of the realtime translation may be purchased by parties to the case or by the county, but shall not be provided to the public, including media organizations and other non-participants. Providing a rough draft is at the employee's discretion and any request may be declined.

The electronic file(s) must not be certified in any manner and shall not be considered the official record. An uncertified rough draft transcript should include a header or footer on each page stating, "uncertified rough draft transcript only." A disclaimer is recommended as a cover page which states that the transcript is unedited and uncertified, not an official record, not to be used for verbatim citation, and not to be disclosed to any outside parties.

CRS employees are authorized to charge a page rate for unedited files consistent with the regular delivery rate (not daily copy rates) pursuant to the Uniform Schedule of Charges for Transcripts.

Official court reporters should only be used as a CART (communication access realtime translation) service or realtime provider for the purpose of communication assistance for the hearing impaired when no other options are available. CART is not necessarily verbatim and commonly contains more than just the spoken word. Since the official court reporter's purpose is to provide a verbatim record of court proceedings, assisting the hearing impaired with an unofficial record would fall outside of his/her standard duties.

The preferred option should be for the county to provide a freelance CART services provider. The second option may be using an official court reporter who is providing a realtime verbatim translation of the court proceedings upon approval of the party requiring translation services. Finally, if no other option is available, the official court reporter may be used for communication assistance; however, a second official court reporter may need to be present to provide the official record. If the official court reporter does not have the proper equipment to provide a realtime translation display, it is not his/her responsibility to purchase or provide the necessary equipment.

Displayed realtime translation can be both mentally and physically taxing on a court reporter. Accordingly, when an official court reporter provides realtime translation, mandatory breaks and maximum hours of work shall be imposed. A fifteen-minute break should be provided at least every other hour. Additionally, if realtime translation is needed for a duration exceeding three and a half hours, a second reporter should be utilized whenever possible.

F. TRANSCRIPTS

1. General

The CRS employee shall provide a transcript of the evidence and proceedings in a trial, or other judicial proceeding, at the request of a party or attorney. Unless ordered for the purpose of appeal or ordered by the court to be made a part of the court record, the CRS employee is not required to file a copy of the transcript with the case file. All orders for transcripts should be in writing and acknowledged by the CRS employee upon receipt. The CRS employee should start producing the transcript upon receipt of the order and deposit when required. Requests to go slowly or to delay the start of a transcript shall not be honored by the CRS employee.

All CRS employees must have the ability to create a transcript in PDF format for e-filing purposes. Transcripts of court proceedings filed with the Clerk of the Circuit Court shall become part of the public record of the case and may be reproduced without any additional fee payable to the CRS employee.

2. Transcript Fees

The employer representative groups, in accordance with Section 5 of the Court Reporters Act, have adopted a Uniform Schedule of Charges for Transcripts. This schedule appears in Appendix A. Each CRS employee shall be entitled to retain the approved fees collected for transcripts as approved by the Uniform Schedule of Charges for Transcripts. Payments for transcripts may be received from private parties, counties, municipalities, the State of Illinois, or other governmental agencies. Except for transcripts ordered by the State of Illinois, CRS employees may charge a premium for expedited production of transcripts as permitted by the Uniform Schedule of Charges for Transcripts. Each circuit or county may determine their own policy regarding whether they will pay for expedited rates.

CRS employees must request payment for state-paid transcripts through the Court Transcript Fee (CTF) system. The website for CTF is: crs.illinoiscomptroller.gov. Employees may request an account from the website by clicking the link below the log-in area. This system will track payment requests from the time of submission to payment. You must be on direct deposit for transcripts in order to be paid for requests totaling \$5.00 or less. A table of state-paid transcripts has been provided as Appendix G.

Transcripts of proceedings for purposes of appeal in cases in which a minor has been found to be abused, neglected or dependent shall be fixed by the court and charged to a parent or other person liable under the law for the support of the minor, to the extent that the person is able to pay. Any portion of such fees which the person is unable to pay shall be paid from the general fund of the county (705 ILCS 75/6).

3. Application of Transcript Page Rates

With the exception of transcripts ordered by the court for its own use, or for indigent defendants reimbursed by the State, persons ordering transcripts of a CRS employee's notes or electronic recorded media of court proceedings shall be charged either the original or copy page rate, appropriate for the manner of delivery, as provided in the Uniform Schedule of Charges for Transcripts. Pursuant to Supreme Court Rule 607, a copy of a transcript for an indigent defendant shall be provided without charge.

The first transcript ordered shall be charged at the original page rate. A second and any subsequent transcripts of the same proceedings shall be charged at the copy page rate, provided they are ordered by a party to the case or his/her counsel within seven (7) days following the date of notification by the CRS employee of the original transcript order. Thereafter, the original page rate may be charged unless otherwise prohibited by rule, statute, or regulation. A CRS employee is permitted split the total charges between the two parties upon agreement by both parties when appropriate.

When a transcript is ordered by a party, the party shall not be charged for an additional copy unless specifically requested. A party which has already paid the cost of a transcript at an original rate shall pay the copy rate for the same transcript regardless of the length of time since the original request.

Whenever a transcript of proceedings is ordered by counsel representing a party in a pending matter, the CRS employee should ask opposing counsel, or pro se litigant, whether he or she wants a copy of the proceedings also. This inquiry is in keeping with the CRS employee's ethical responsibility as the impartial keeper of the record.

E. Deposits for Transcripts

Transcripts should be requested in writing and acknowledged by the CRS employee immediately. CRS employees may require a deposit up to the estimated total fee for the transcript except when it is ordered by the State or any of its political subdivisions, or by an indigent criminal defendant pursuant to Rule 607. It is important that the CRS employee to advise parties of the estimated cost in a timely manner. CRS employees should promptly prepare transcripts and file with the clerk of the court or otherwise deliver transcripts to the ordering party as requested.

F. Monthly Report of Transcripts on Order

Each CRS employee shall file with the Chief Judge or supervisor a monthly report of transcripts on order (Appendix B) when it is required by the Chief Judge. The CRS employee shall send the original to the Chief Judge or supervisor, and the CRS employee should also retain a personal copy. Reports must be filed for each month a CRS employee is on duty. The report must indicate transcripts which have been ordered, filed, and those not filed.

All orders for transcripts of court proceedings, whether on appeal or not, must be listed. A transcript should be reported for the month during which it is ordered and carried until filed with the date of filing noted. A

cumulative count is called for and each report should include all transcripts outstanding including arraignments, changes of plea, or other special proceedings. If there are no outstanding transcripts, the report should be marked “none”. A blank report is not sufficient. When a transcript has been ordered by a party other than the State or any of its political subdivisions, and a required deposit has not yet been paid, report it as being ordered on the date the order is received and note “deposit not received.” When the deposit is received, thereafter report both dates until filed.

G. Certification of Transcripts

CRS employees must certify the accuracy of transcripts. Electronic and/or digital signatures are permitted for transcript certification. For appeals, the transcript is certified by the CRS employee and filed with the Clerk of the Court pursuant to Supreme Court Rules 607(b) and 608(b). The transcript shall be taken as true and correct unless shown to be otherwise and corrected in the manner prescribed by Supreme Court Rules 323(b) and 329.

A certification shall be included on the final page of the transcript in substantially the following form:

Certification of transcript from stenographic notes:

I, _____, certify the foregoing to be a true and accurate transcript of the testimony and proceedings in the above-entitled cause. (If partial transcript, so indicate.)

(Signature)

(License or Restricted License Number)

Date: _____

Certification of transcript from electronic recording:

I, _____, certify the foregoing to be an accurate transcript of the electronic recording of the proceeding in the above-entitled cause to the best of my ability. (If partial transcript, so indicate.)

(Signature)

(Title)

Date: _____

7. Format of Transcripts

The format of transcripts shall meet the following minimum standards:

- (1) Type size shall not be less than nine characters per inch and consistent with local requirement, if any.

- (2) A page shall be 8 ½ x 11 inches and contain a minimum of 24 lines of type.
- (3) Lines shall be double spaced, pre-numbered on the left-hand margin.
- (4) The left margin shall be 1½ inch and the right margin shall be ¾ inch from the edge of the paper. Unnecessary indentations and blank spaces shall be avoided.
- (5) There should be no more than five spaces before Q or A, and no more than 10 spaces before a new paragraph.

Additional formatting recommendations are available in the Formbook for Official Court Reporters in Illinois. This document can be found online at www.ilcrs.com/resource.

An index page on a transcript shall only be required if there are witnesses or exhibits within the transcript. When provided in a printed format, transcripts shall follow the following guidelines. If the entire transcript will not exceed 250 pages, it may be bound as one volume. If the transcript exceeds 250 pages, it shall be bound into two or more volumes of approximately equal size, not exceeding 250 pages each. Each volume will have a sturdy front and rear cover. The front cover shall contain the title and number of the case, the name of the judge who entered the order being appealed from, if any, the name and title of the CRS employee(s) who prepared the transcript, license or restricted license number(s), if applicable, and a notation indicating the volume number and pages contained therein (e.g. "Volume 1 of 2 volumes, page 1 through 250; "Volume 2 of 2 volumes, pages 251 through 500"). Transcripts may be bound on the left margin or on top depending on local customs. The covers and binding material may vary depending upon local customs. Transcripts being sent to the Department of Corrections are exempt from front and rear cover requirements unless it may be accomplished without metal components.

At the request of any party, a standard page in compliance with these format regulations may be reduced to a condensed format. The employee shall be entitled to the per page rate for each standard page, regardless of the number of pages are condensed on a single page.

Upon the written request of any party, a CRS employee may also provide a keyword index. Except when billed to the state or the county, the employee may charge up to the allowed page rate for the index. All efforts should be made to eliminate common words to keep the fees reasonable for this service.

All orders for condensed versions or keyword indexes should be in writing and acknowledged by the CRS employee upon receipt.

All transcripts which will be provided to the Clerk of the Circuit Court must be in electronic format and/or printed on white or lightly colored paper. Security paper, or any other paper which would prevent legible reproduction, is prohibited. Likewise, any electronic transcript file submitted to the Clerk of the Circuit Court for the purpose of appeal shall not be password-protected in any manner.

8. Transcripts in Electronic File Format (e-filing)

Pursuant to the Illinois Supreme Court's mandatory electronic filing (e-filing) initiative, effective July 1, 2017, CRS employees must be able to transmit an electronic copy of the report of proceedings to the Clerk of the Circuit Court for the purpose of appeals in PDF format. A party or attorney may also request, for his or her own use, a transcript in electronic file format. A certification page with an embedded digital or electronic signature may be provided in lieu of an original signature.

The amount charged by the employee for a transcript of court proceedings shall conform to the page rate as directed by the Uniform Schedule of Charges for Transcripts.

9. Extension of Time for Filing Transcripts

A transcript ordered for use on appeal to the Supreme Court or to the Appellate Court must be prepared and filed by the CRS employee within 49 days after the date on which the notice of appeal is filed. Transcripts for certain juvenile custody issues as defined in Supreme Court Rule 311 must be prepared and filed within 35 days of the notice of appeal date. Extensions may be granted only by order of the reviewing court (Supreme Court Rules 311, 323 (b) and (e); and 608 (b) and (d)).

If an extension of time to file a transcript is necessary, the CRS employee shall send a request for a motion of extension to the party which filed the appeal, with a copy provided to his or her Chief Judge or supervisor. The request must be in the form of an affidavit or be accompanied by an affidavit showing the necessity for extension and the requested length of the extension.

10. Appeal Transcripts - Contents

In civil appeals, the content of the report of proceedings is governed by Supreme Court Rule 323 (a). Both the appellant and the appellee may designate specific proceedings or portions thereof to be transcribed.

In criminal appeals, the content of the report of proceedings is governed by Supreme Court Rule 608(a). The rule specifies proceedings which must be transcribed and provides for appellant and appellee designations of additional proceedings not directly specified.

11. Transcript Excerpts from a Proceeding

At times when an excerpt from a transcript is requested to be prepared, there shall be a minimum which can be provided by the CRS employee. Except when requested by the court for its own use, a transcript excerpt shall be, at a minimum, a full portion or section of a hearing (i.e. a witness direct-examination, closing arguments by one attorney, etc.) or the entire morning or afternoon session, whichever is less. To ensure statements are not provided out of context, a CRS employee shall not provide a transcript which omits paragraphs, sentences, words, questions, or answers.

12. Credit Card Payments for Transcripts

CRS employees may accept credit card payments for transcripts. A convenience fee may be added to the transcript charges; however, the fee must be disclosed prior to accepting a credit card payment. Added fees may not exceed the amount which will be deducted by the credit card processor, and the amount received by the employee from the transaction may not exceed approved page rates set forth in the Uniform Schedule of Charges. Employees are responsible for familiarizing themselves with and following all applicable statutes, rules, and policies which govern credit card payments, including any agreements entered into with credit card companies and/or credit card processors.

Use of a fee calculator is recommended to determine the accurate amount for convenience fees when/if such fees are permitted by the credit card agreement (example of online rate calculator: <http://www.gregledet.net/square.html>).

G. EXHIBITS

Unless otherwise provided by rule or order of court, the Clerk of the Circuit Court, not the CRS employee, is responsible for the care and custody of exhibits offered for admission. At the direction of the trial judge, the CRS employee may be required to mark all exhibits with an identifying mark or stamp. He or she shall record references to all exhibits, the offering party, a short and general description of the exhibit and court-directed marking. The CRS employee should also, where possible, record what disposition was made of each exhibit (i.e., retained by the court clerk, returned to counsel for the party who introduced it, or other disposition of the exhibit).

H. CROSS-CIRCUIT POLICY

Circuits which have lower caseloads and lighter schedules may “lend” Official Court Reporters to cover court in-person, through remote hearings, and/or by providing transcription from electronic recordings as needed.

Operational Details

In circuits with lower caseloads, Official Court Reporters may voluntarily request approval from their Chief Judge to be available for assignments (See Appendix H). Upon approval of the Chief Judge, the supervisors of neighboring circuits will be notified of a list of available reporters with any specifics about availability (jury weeks, heavy court days, etc.). Approval may be withdrawn by the Chief Judge at any time.

When coverage is needed by a circuit, they may contact specific reporters on the list or send out a broadcast email to all available reporters. The request for services must be specific and include dates, times, and county location. Reporters must get approval for specific assignments from their Chief Judge prior to accepting an out-of-circuit assignment. To request approval, the reporter may forward the request email to the Chief Judge or designee, and an email response of approval is sufficient. Any transcription of audio from digital recordings and transcripts from those recordings must be shared securely through a ShareFile directory. Court Reporting Services can set up the directory and provide folder access upon request.

Reporters should not take in-person assignments over 100 miles away from their residence as to avoid overnight lodging. However, if no other options are available for coverage, lodging may be preapproved by submitting a request to Court Reporting Services. It is preferred that coverage be provided within the same employer group, but not required.

- Employer Group 1: Cook County
- Employer Group 2: 12th, 18th, 19th, and 22nd Judicial Circuits
- Employer Group 3: All other circuits

Travel Reimbursement

Mileage reimbursement is available for any court reporter traveling to another circuit for court coverage assignments. Lodging and/or per diem/meals for travel must be pre-approved in writing by both Chief Judges. Preapproval must specifically list duration of any overnight travel. The preapproval shall be attached to any travel voucher submitted. Lodging must be at or below the Governor’s Travel Board approved lodging rates for state employees. Lodging may be approved if no hotels are available at or below the state government rates or employees may only be reimbursed up to the approved rate. All travel must adhere to the requirements in these *Administrative Regulations*.

I. ANNUAL FINANCIAL DISCLOSURE REPORT

Every CRS employee is required to file an Annual Financial Disclosure form (Appendix C) with the Office of the Chief Judge on or before May 1st of each year. The Chief Judge's office shall email a copy to Court Reporting Services. This information may also be submitted through WebHR instead of using the paper form. Unless otherwise ordered by the Chief Judge, the information thus supplied will be confidential and only for the use of the court.

Supervisors who are also CRS employees are requested to attach a separate sheet indicating any special expenses incurred by them as supervisors, if any, which they would not have incurred but for their designation as such.

Failure to File Report - Sanctions

Financial disclosure reports will be accepted up to and including June 15th without sanction. Thereafter, the following sanctions may be imposed as well as any other sanction deemed appropriate by the Chief Judge. If the financial disclosure report has not been filed by June 15th, then commencing June 16th, the employee shall be placed on leave of absence without pay for up to 30 days. If, by the end of the 30-day period, the employee has not filed a financial disclosure report with the office of the Chief Judge, the employee may then be terminated.

J. CSR LICENSING REQUIREMENTS

It is the responsibility of CRS employees to fulfill requirements for renewing Certified Shorthand Reporter (CSR) licenses issued by the Department of Financial and Professional Regulation. May 31st of each odd-numbered year is the expiration for CSR licenses. Following the expiration date in a renewal year, the Department of Financial and Professional Regulation will provide Court Reporting Services a list of active, non-renewed, inactive, and canceled licenses. If a CRS employee has not renewed or allowed their license to become inactive, the Chief Judge's office shall be notified. If the employee has not provided proof of renewal within 10 days of the notification, the employee may be placed on an unpaid leave of absence until proof is provided.

If a CRS employee has an official complaint filed against their license or their license has been suspended or revoked, the reporter shall notify the Chief Judge's office immediately. If notification is not provided in a timely manner, or if the reporter continues to practice shorthand reporting without an active license, the employee may be subject to disciplinary action up to, and including, termination.

CSR license status may be verified online at www.idfpr.com. Any questions about license renewal may be directed to the Department's License Assistance Unit at (800) 560-6420.

III. STATEWIDE PROGRAMS AND EMPLOYMENT POLICIES

A. SALARY

Salaries paid to CRS employees are determined by the employer representative groups or collective bargaining agreement.

1. Pay Day

CRS employees are paid twice monthly, on the 15th and the last business day of the month. If the 15th falls on a weekend day or holiday, the pay date will be on the last business day prior to the 15th. Per diems are paid monthly, on the last day of the following month.

2. Payroll Deductions

Federal and state income taxes and social security taxes are deducted from an employee's salary as directed by their completed W-4 form. An employer is also obligated to make any deductions ordered by a court of law, e.g.: wage garnishments and/or assignments, tax levies or bankruptcies. Employees may change their tax deductions at any time by completing new W-4 forms which can be found on our website.

At an employee's written request, additional deductions may also be withheld. These additional deductions include:

- a. **Deferred Compensation Program** - Employees have the option of participating in the Deferred Compensation Program through payroll deductions. This gives employees an opportunity to accumulate tax exempt/deferred savings. Both deductions and account earnings are exempt from the State of Illinois Income Tax. Federal Income Tax obligations are deferred until funds are distributed. This program is designed to encourage long-term savings for retirement. Funds in these accounts are available only upon separation or retirement from state employment, financial hardship or death. Employees may change their contribution or cancel the deduction at any time.
- b. **U.S. Savings Bonds** - Employees may purchase U.S. Savings Bonds through regular payroll deductions.
- c. **Dependent Care Assistance Program** - The purpose of this program is to afford State employees the opportunity to pay for their dependent care expenses with tax-free dollars. Participants estimate their dependent care expenses for the tax year and designate a certain dollar amount to be deducted from each paycheck. The deductions are taken before Illinois, Federal and Social Security taxes are withheld, thereby reducing an employee's taxable income. These tax exempt deductions are deposited into the Flexible Spending Account. Then the participant periodically submits claims for reimbursement from their account of dependent care expenses.
Since the deductions are tax exempt, the irrevocability rule applies for the entire plan year unless there is a change in family status. Any unused balance in the account at the end of the plan year will be forfeited.
- d. **Medical Care Assistance Program** - The purpose of this program is to afford State employees the opportunity to pay for their medical care expenses with tax-free dollars. The Medical Care Assistance Program operates in the same manner as the Dependent Care Program. Eligible expenses include expenses not covered by the State Health Plan such as deductibles, well baby care, annual physicals, dental expenses not covered, etc. Up to \$500 of this account may be rolled over into the next fiscal year as long as the employee registers for the benefit for that year. Otherwise, the unused funds will be forfeited.

3. Direct Deposit

It is highly recommended that employees direct deposit their salary into a checking or savings account by completing the required form. This allows the Comptroller's Office to electronically transfer the employee's salary to their bank each payday.

If employees have questions specifically pertaining to deductions from their paycheck, they may contact the Office of the Comptroller (see Contact Information, Section I).

B. TRAVEL REIMBURSEMENT

Pursuant to Section 5 of the Court Reporters Act (705 ILCS 70/6), CRS employees are entitled to reimbursement of travel expenses when assigned to duties outside their county of residence. Under certain circumstances, CRS employees may also seek reimbursement for travel expenses for assignment within their county of residence. Under these limited circumstances, a certification signed by the Chief Judge must accompany the travel reimbursement voucher. The certification must describe the circumstances for reimbursement. Reimbursement rates typically will follow the Travel Reimbursement Schedule for all state employees unless otherwise directed. That schedule can be found online:

<https://www2.illinois.gov/cms/Employees/travel/Pages/TravelReimbursement.aspx>

Travel between an employee's residence and headquarters, or any portion thereof, is not a reimbursable expense. Travel between an employee's residence and a temporary location outside his/her county of residence is reimbursable as long as (1) the employee does not pass through his/her headquarters city, and (2) the travel does not coincide with the employee's regular commute, including any miles between the employee's headquarters and residence. If the employee travels through his/her headquarters city to a temporary location outside his/her county of residence, regular commuting mileage must be subtracted.

1. Transportation

The most economical mode of transportation that is reasonably available should be used for travel, considering time, cost, work requirements, safety, and customary practice.

Privately owned motor vehicles may be used for job related travel. For the most current mileage reimbursement rate, please check the travel voucher forms on our website. The trip should be by the most direct, normally used route. The mileage may be based on a mileage table provided by Court Reporting Services, an online map of the route taken, or by the actual odometer readings. Mileage in and around the destination city may also be included for reimbursement. Parking fees, tolls, phone calls, and similar expenses directly related to travel on official business may also be reimbursed. Travel between residence and headquarters, or any portion thereof, shall not be reimbursed.

Illinois statute 625 ILCS 5/10-101 requires that an individual using a privately owned vehicle on state business certify that they are duly licensed and that they have the minimum insurance coverage under 625 ILCS 5/7-203. A Certification Form used to comply with this statute will be provided by Court Reporting Services upon request. If this form was not completed at the time of your original employment with the State of Illinois, it should be completed before the private vehicle is used for official travel.

Illinois statute 625 ILCS 5/12-603.1 requires the use of seat belts when an individual is operating a motor vehicle in the State of Illinois. In addition, an executive order issued by the Governor directs all Executive Branch employees to wear seat belts when traveling by motor vehicle on state business. It is presumed that in the interest of safety, all persons using a motor vehicle while traveling on official business of the State of Illinois will also comply with this law.

Receipts for all other miscellaneous travel charges which exceed \$10.00 (such as tolls, parking or taxi cabs) should be submitted with the travel voucher.

The use of leased or rented vehicles, other than taxi cabs and shuttle vehicles, as well as the use of privately owned aircraft is permitted only when circumstances warrant and when authorized by the Chief Judge in advance. (A certification form for privately owned aircraft must also be filed with the Chief Judge. The form will be provided upon request.)

In order to satisfy auditing requirements, reimbursement for travel outside the State of Illinois should first be approved by the Chief Judge in advance.

2. Lodging

If necessary, the reasonable cost of overnight lodging will be reimbursed upon approval of the Chief Judge. Generally, lodging expenses should not be reimbursed for travel which is less than 100 miles from the CRS employee's residence. For approved lodging expenses, a hotel receipt must accompany the voucher. The receipt must depict that payment was provided by the employee and a "zero balance" is shown on the receipt. If lodging cost will exceed allowable rates for the location, preapproval must be obtained from Court Reporting Services.

Each traveler should ensure that he or she obtains the lowest available rate for lodging and that the rate is within the maximum reimbursement allowed. The maximum lodging rate for Cook County is \$149.00, plus tax. The maximum lodging rate for the Counties of DuPage, Kane, Lake, McHenry, and Will is \$95.00, plus tax. The maximum lodging rate for the Counties of Champaign, Kankakee, LaSalle, McLean, Macon, Madison, Peoria, Rock Island, St. Clair, Sangamon, Tazewell, and Winnebago is \$85.00, plus tax. In all other counties of the state, the rate is \$75.00, plus tax. Unless a higher amount is approved by the Chief Judge, any amount which exceeds the maximum reimbursement allowed must be absorbed by the traveler.

Cost for lodging at conference or meeting sites which have been arranged or approved by the Chief Judge will be reimbursed at the rates negotiated with the facility offering the lodging, even though the rate may exceed the amount otherwise allowable.

3. Per Diem/Meals

Per diem will be paid for travel which includes overnight lodging or is 18 or more continuous hours. Per diem is based on a quarter-day system. Each quarter of a day shall be 6 hours commencing at midnight, 6:00 a.m., noon, and 6:00 p.m. Effective July 1, 1995, the traveler shall be allowed \$11.00 for each quarter of a day or fraction thereof spent on travel status up to the \$44.00 daily maximum.

Breakfast and/or dinner is reimbursable if travel does not include overnight lodging, provided the traveler leaves home at or before 6:00 a.m. (breakfast) or arrives home at or after 7:00 p.m. (dinner). The traveler is eligible for up to \$8.50 for breakfast and up to \$23.00 for dinner. No receipts are needed to support meal claims. Lunch is not a reimbursable expense.

If meals are provided at a state-sponsored work event, an employee who is requesting a per diem reimbursement shall deduct the corresponding amounts shown in the above paragraph for each meal provided from the total per diem for that day.

4. Vouchers

All allowable travel expenses should be submitted on a State of Illinois Travel Voucher C-10 form. Vouchers may not contain travel dates from two different months. Employees must identify the date, time, purpose of travel, city of headquarters and city of residence in the appropriate boxes. No travel vouchers will be processed without a city designation for both residence and headquarters. The traveler's headquarters should ordinarily be the city at which the traveler performs the largest portion of his or her work. If this is not the case, the traveler should be prepared to document the facts and circumstances by which another city is designated as headquarters. It is the responsibility of the traveler and his or her supervisor to designate both the headquarters and residence in accordance with federal tax regulations.

Travel vouchers must be typed, signed by the Chief Judge and traveler, and the original form should be mailed to Court Reporting Services. Expenses should be reported on vouchers at the end of each month.

Any unusual items contained on the travel voucher should be identified in the traveler's comments or a cover memorandum. The receipts for all expenses claimed (other than meals) which exceed \$10.00 should be attached to the submitted voucher. Vouchers should be submitted within 30 days of travel to ensure that it will not be considered taxable income pursuant to the Internal Revenue Service travel guidelines.

C. ACCIDENT REPORTING PROCEDURES

The State of Illinois has a Self-Insured Motor Vehicle Liability Plan which provides primary coverage limited to bodily injury and property damage liability coverage for state employees operating state-owned or leased vehicles while in the course of their employment. The Plan also provides excess coverage for employees operating their own vehicles in the course of their employment.

Upon the occurrence of a motor vehicle accident, whether operating a State vehicle or a privately owned or leased vehicle while on State business, a written accident report should be filed with CMS Risk Management, Auto Liability Unit. Proper and timely reporting of these accidents is a very important condition of coverage and should be taken very seriously.

The Illinois SR-1 Form "Motorist's Report of Illinois Vehicle Accident" should be completed by the driver. The law enforcement officer investigating the accident may complete the form and give it to the driver. This form can be found in the glove compartment of each state vehicle. The SR-1 form should then be forwarded to Court Reporting Services. Court Reporting Services will complete a Uniform Cover Letter and submit both forms to Risk Management, Auto Liability Unit. These forms must be submitted to Risk Management **WITHIN SEVEN (7) CALENDAR DAYS FOLLOWING THE ACCIDENT**. Again, this requirement is a very important condition of coverage and should be taken very seriously. Without accurate reporting or a delay in filing the appropriate forms, insurance coverage may be forfeited.

If an employee operates his/her privately owned vehicle on State business and an accident occurs, his/her personal insurance coverage will be PRIMARY. This means that the employee's personal insurance carrier will be asked to respond to the loss, investigate the loss, and determine if coverage will be afforded under the State driver's personal auto policy. If so, the State's involvement will only be as EXCESS over the policy limits of the primary carrier.

Operating a State vehicle for unauthorized purposes will result in denial of coverage and/or legal defense of the driver in the event a lawsuit is filed.

D. EMPLOYEE PHOTO IDENTIFICATION CARDS

Employee photo identification cards are available to all CRS employees employed by the State of Illinois. A request form with instructions is available on our website or it may be requested through the form on WebHR.

E. CHANGES IN PERSONAL DATA

Employees are responsible for notifying the Chief Judge's office in writing of any changes in personal data including changes in name, address, and/or telephone number. Employees may initiate the process by changing their information on their WebHR account. Change of name and/or address packets are available on the website at www.ilcrs.com/change. All forms must be returned as instructed on the website for the changes to be effective in all departments including CRS, Office of the Comptroller, Central Management Services, etc.

The employee shall provide the Chief Judge with a written certification from the maker or guarantor of the loan to confirm the establishment of a satisfactory repayment arrangement.

If an employee fails to establish a satisfactory repayment arrangement prior to the completion of the sixth month of employment, the employee will be terminated.

G. PERSONNEL RECORD REVIEW

Detailed questions regarding either retirement or disability benefits should be directed to the State Employees' Retirement System (see Contact Information, Section I).

Information concerning health, vision, dental and life insurance programs is provided to all new employees. Updated benefit information is provided to employees annually during the benefits choice period in May. If employees have any questions regarding insurance benefits, they may contact the Office of the Comptroller (see Contact Information, Section I). Additional information is also available online at www.benefitschoice.il.gov.

Anyone coming to work inappropriately attired may be asked to change and will be required to make up the time missed from work. Exceptions to this policy for special circumstances may be approved by the Chief Judge.

K. PERFORMANCE EVALUATIONS

Employee performance evaluations shall be conducted on an annual basis. The evaluation process is intended to facilitate communication between employees and supervisory personnel. Individual performance factors as well as an overall performance rating will be given to each employee. Employees are given feedback on their performance and provided with guidance as to which areas of performance can be improved and how such improvements can be made. Any questions regarding evaluations should be directed to your immediate supervisor. An evaluation form is available on the Court Reporting Services website for the convenience of the circuits; however, this form is not required to be used. Evaluations shall remain in the Chief Judge's office and should not be forwarded to Court Reporting Services.

L. TELEPHONE USAGE POLICY

CRS employees, with respect to telephone usage, shall follow the telephone usage policies established by the county.

M. INCLEMENT WEATHER/OFFICIAL WORK SITE CLOSINGS

When work sites are open, but weather prevents an employee from reaching work, or an employee must leave before the end of their scheduled time, the employee must account for such absence by use of accrued time such as vacation or compensatory time.

When work sites are officially closed due to fire, snow or any other reason, employees will not need to account for such absence. However, the employee must contact his or her supervisor to verify that the employee is not needed in another work site. The Chief Judge or his/her designee will determine when a facility is officially closed.

N. SECONDARY EMPLOYMENT AND PRIVATE REPORTING WORK

1. Private Reporting Work Prohibited

CRS employees may not engage in private reporting employment. CRS employees are prohibited from being partners, associates, or employees of any reporting firm or corporation, and they may not receive any payments or fees for transcripts or appearances paid for reporting work done by another court reporter. With the permission of the Chief Judge, any CRS employee may serve the Prosecutor, Grand Jury or other official or governmental agency, but the CRS employee shall not charge an attendance fee for such work. Transcripts from such service shall be charged at the approved rates in the Uniform Schedule of Charges.

With the permission of the Chief Judge, a CRS employee who is current on transcript production may provide closed-captioning or realtime translation of meetings and/or hearings of governmental departments, agencies or commissions conducted outside of regular court hours for the sole purpose of rendering assistance to participants who are hearing-impaired. An appearance fee, of which the Chief Judge shall be notified, may be charged. Any transcript production from this captioning or realtime translation for additional compensation is prohibited.

Nothing in this policy shall prohibit CRS employees from providing closed-captioning or realtime translations for assisting the hearing-impaired on a voluntary basis outside of normal working hours. CRS employees who volunteer captioning or realtime services should notify the Chief Judge or supervisor in

writing and confirm that the services are on a voluntary basis. Any transcripts of the captioning or realtime translation must be provided free of charge.

2. Secondary (Non-Reporting) Employment

Employees may choose to seek secondary employment while employed by the State of Illinois. (Secondary employment includes part-time, seasonal, or periodic employment by an employer for which compensation is received.) Secondary employment is permitted under the following conditions:

- The position has no actual or potential conflict of interest with the employee's primary job with the State of Illinois.
- The supervisor is notified of potential outside employment, prior to accepting the position, to determine if a conflict of interest exists.
- The outside employment will not require an amount of time or effort which will prevent the employee from rendering satisfactory service to the State of Illinois.
- The employee will be available to work overtime for the State of Illinois, when required and authorized.
- State equipment or facilities are not used by the employee when performing work for a secondary employer. This includes, but is not limited to vehicles, office space, and office equipment.
- Work for an outside employer cannot be performed during normal working hours. Paid vacation leave, personal leave, and non-working time, such as lunch periods, can be used.

If an employee accepts a position without notifying his or her employer or accepts a position which poses an actual or potential conflict of interest, the employee may be subject to disciplinary action, up to and including termination.

If an employee holds a secondary position which does not involve private reporting work prior to accepting employment with the State of Illinois, the employee should discuss the secondary position with his or her supervisor to determine if a conflict of interest exists between the two positions. If no conflict exists, the employee may continue secondary employment not involving private reporting work under the conditions listed herein. However, if a conflict arises or the secondary employment prevents the employee from timely completion of court transcripts, the employee should understand that their primary employment is with the State of Illinois, and that he or she may be required to forfeit the secondary position as a condition of continued employment with the State.

1. become a candidate for nomination, or election to, or accept appointment to any public office;

Except as indicated below, any employee who engages in any of the above activities shall be deemed to have vacated his or her position and shall be discharged. If an employee needs more direction about whether an activity

not specifically addressed above would violate the political activities policy, he or she should contact their Chief Judge's office for additional guidance.

Employees subject to this policy may request a leave of absence to become a candidate for public office. Such requests shall be made to the Chief Judge and shall not be unreasonably denied. A request for such leave of absence may, however, be denied if the leave would substantially interfere with the operational needs of the courts. Any leave granted under this paragraph shall be without pay.

Q. SEXUAL HARASSMENT POLICY AND PROCEDURES

Pursuant to Section 2-109 of the Illinois Human Rights Act, every employer with employees working in the State of Illinois is required to provide employees with sexual harassment prevention training each calendar year. Accordingly, Court Reporting Services will provide opportunities for training at the annual seminars and in webinar format each year. A certificate of attendance shall be awarded for attendance.

Statement of Policy on Sexual Harassment - It is the policy of the Chief Judges to provide to all CRS employees a work environment free of sexual harassment. The Chief Judges prohibit sexual harassment of and by its employees. Sexual harassment is inappropriate, offensive, and illegal and will not be tolerated.

Sexual harassment is defined as any unwelcome sexual advances, or requests for sexual favors, or any conduct of a sexual nature when:

- a. submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; or,
- b. submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or,
- c. such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment , such that the aggrieved party perceived the environment to be abusive and a reasonable person would find the environment to be hostile or abusive.

The Chief Judges direct all supervisory personnel to ensure their workplaces are free of sexual harassment. The Chief Judges shall be responsible for supporting training on sexual harassment prevention and this sexual harassment policy. The Chief Judges shall post and distribute this policy, encourage employees to report sexual harassment incidents and assure employees they do not have to endure a sexually harassing work environment.

A. Sexual Harassment Behavior - Examples

Sexual harassment, as defined above, most frequently involves a man harassing a woman. However, sexual harassment also can involve a woman harassing a man or harassment between members of the same gender. Sexually harassing behavior can include, but is not limited to, the following:

Verbal behavior: negative or offensive comments, jokes, or suggestions about another employee's gender or sexuality, threats related to sexual conduct, repeated unwelcome requests for dates, statements about other employees of a sexual nature, obscene or lewd sexual comments; using slang names or labels that can be considered derogatory or too familiar, such as "honey", "sweetie", "dear", "darling", "boy", "girl", or other terms people may find offensive; or talking about or calling attention to an employee's body or characteristics in a sexually negative or embarrassing way.

Nonverbal behavior: sexually suggestive looks, sexually suggestive or insulting sounds (whistling, catcalls, smacking or kissing noises), or obscene or sexually suggestive bodily gestures.

Physical behavior: unwelcome pats, squeezes, hugs, kissing, pinching, repeatedly brushing against someone's body or actual sexual assault or abuse.

Visual behavior: displaying pictures, cartoons, posters, pinups, calendars, signs, etc., of a nude or sexual nature.

Other behavior that can constitute sexual harassment includes laughing at, ignoring or not taking seriously an employee who experiences sexual harassment; blaming the victim of sexual harassment for causing the problems; continuing the offensive behavior after a co-worker has expressed objection to the behavior; retaliating against an employee who rejects sexual advances by denying promotions or other job related benefits; or, gossiping about or ridiculing a victim or alleged harasser with respect to the alleged harassment.

B. Notification

Employees are encouraged to report incidents of sexual harassment and/or ask questions about conduct that may be considered sexual harassment in confidence and without fear of retaliation. Employees should immediately report incidents of sexual harassment in the manner set forth below. This includes employees who think they have witnessed another employee being sexually harassed. Any employee bringing a good faith sexual harassment complaint or assisting in the investigation of a complaint will not be adversely affected in terms and conditions of employment, nor discriminated against or discharged because of the complaint or assistance.

C. Confidentiality

The disclosure of allegations of sexual harassment shall be restricted to those individuals who have a "need to know." The complaint shall not be discussed with anyone other than those directly involved in the incident or the investigation process. It is as important to protect the confidentiality rights of the alleged harasser as it is the rights of the complainant.

D. Harassment by Non-Employees

With respect to incidents of sexual harassment where the offending individual is not an employee of Court Reporting Services, the appropriate judicial or supervisory personnel shall communicate the alleged conduct to the offending person and/or his or her employer. They shall be informed that the offensive conduct will not be tolerated and that steps must be taken to assure such actions do not occur again.

E. Discipline

Complaints and cases of sexual harassment will be dealt with promptly. Employees who sexually harass others and/or supervisors who knowingly allow such activities to go on, subject themselves to the full range of disciplinary procedures, including reprimand, suspension or discharge, depending on the seriousness and/or frequency of the violations. In the most severe cases, employees are subject to immediate discharge.

F. False and Frivolous Complaints

False and frivolous charges refer to cases where the accuser is using a sexual harassment complaint to accomplish some end other than stopping sexual harassment. It does not refer to charges made in good faith which cannot be proven. Given the seriousness of the consequences for the accused, a false and frivolous charge is a severe offense that can itself result in disciplinary action.

G. Application of Policy

This policy and the procedures set forth herein shall be applicable to all CRS employees, whether full-time, part-time, temporary, or contractual.

H. Further Information

Any employee who has questions about this policy should contact his or her Chief Judge or supervisor. All inquiries will be handled in strictest confidence.

II. Procedures

A. Initial Step

An employee who believes she or he is sexually harassed may first identify the offensive behavior to the offending party as directly and firmly as possible and request that it stop. Employees are particularly urged to take this step if they believe that the offensive conduct may be unintentional. However, if the employee does not feel comfortable confronting the offending party, or feels threatened or intimidated by the situation, or if the behavior does not cease after a confrontation with the offending party, the matter should be reported as set forth below.

B. Reporting

An employee's complaint of sexual harassment may be reported to his or her immediate supervisor, a higher supervisory authority, CRS employees may file complaints with their immediate supervisor, the presiding judge, or the Chief Judge for the circuit in which the employee is employed.

Notwithstanding the foregoing, any complaint alleging that a member of the judiciary has committed an act of sexual harassment may be filed with the Judicial Inquiry Board at (312) 814-5554. Complaints must be in writing, describing the alleged incident(s) of sexual harassment, the date(s) and time(s) of the incident(s) and any witnesses to the incident(s).

Any complaints of alleged sexual harassment which are received by judicial or supervisory personnel shall be reported to the Chief Judge within seven (7) days unless the alleged harasser is the Chief Judge. Each circuit shall adopt an administrative rule or policy which outlines the protocol when the complaint is against the Chief Judge.

C. Investigation

When an appropriate authority has received a complaint alleging sexual harassment, he or she shall promptly initiate an investigation of the complaint. The investigation may be conducted by the judicial or supervisory authority receiving the complaint or by an individual he or she has designated to conduct the investigation.

The complainant shall be assured of confidentiality in the investigation to the extent possible. The complainant should be made aware that in order to investigate the complaint to its fullest extent, it may be necessary to make his/her name known and/or necessary for the complainant to confront the alleged harasser. Disclosure of the allegation of sexual harassment shall be restricted to individuals who have a "need to know" in order to conduct a proper investigation.

The investigation shall include the following steps:

1. The investigating party shall conduct an interview with the employee registering the complaint. The intent of the interview is to determine a true and complete account of the complaint. The following information should be sought in the interview: severity of conduct; the number and frequency of acts of alleged harassment; the apparent intent of the alleged harasser; the relationship of the parties; the response of the complainant at the time of the incident(s); and the relevant work environment.
2. To the extent practicable, the investigating party shall interview all other individuals who witnessed or may have witnessed the incident or who may have knowledge of the incident.
3. The investigating party shall interview the alleged harasser and inform the individual that a complaint has been made against him or her. The individual shall be informed that the incident is not to be discussed with co-workers and that retaliatory action against the complainant will not be tolerated.
4. To the extent practicable, the investigating party shall review any other relevant information or evidence and/or interview any other relevant witnesses.

5. The investigating party shall make a written record of the interviews and any other aspects of the investigation.
6. The investigating party shall prepare a written summary of the findings of the investigation and, in appropriate cases, any recommendations for discipline.
7. The findings of the investigation shall be reported to a supervisor of the alleged harasser for appropriate action.

D. Disciplinary Action

The supervisor receiving the report of the investigation shall review the report and determine whether the individual charged has committed sexual harassment, and, if so, determine and impose the appropriate discipline. Where required by a collective bargaining agreement, the discipline will be imposed pursuant to the relevant provisions of the collective bargaining agreement. The discipline imposed shall reflect the severity of the improper conduct, taking into consideration the nature of the conduct, the frequency of the conduct, the relationship of the parties involved, the intent of the offending party, and any other relevant matters.

Available discipline for sexual harassment includes, but is not limited to, verbal reprimand, written reprimand, transfer, reassignment of duties, demotion, suspension or discharge. In the most severe and blatant cases of sexual harassment, the offending employee may be immediately discharged.

In all cases, the complainant shall be notified of the results of the investigation and the discipline imposed, if any.

III. Appeals

- A. Any party seeking an appeal of a sexual harassment investigation and/or discipline imposed shall transmit a written Notice of Review to the supervisor ruling on the complaint within seven (7) days of the ruling, with a copy of the Notice to all interested parties.
- B. The supervisor ruling on the complaint shall, within ten (10) days of receiving the notice, transmit a copy of the Notice to the Chief Judge, by letter of transmittal with copies to all interested parties, and shall include:
 1. The written record of interviews and any other aspects of the investigation as provided in paragraph (II)(C)(5) of this policy;
 2. The written summary and recommendations of the investigating party as provided in paragraph (II)(C)(6) of this policy; and
 3. The findings of the supervisor ruling on the complaint, together with the disciplinary action imposed, if any, and the reasons therefor.
- C. Within seven (7) days of the date of the supervisor's transmittal letter, all interested parties may submit written comments, together with case law, if appropriate, to the Chief Judge, with copies to all interested parties and the supervisor ruling on the complaint.
- D. The findings of fact and conclusions of the supervisor hearing the complaint shall be held to be prima facie true and correct.
- E. Within thirty-nine (39) days of receiving the supervisor's transmittal letter, the Chief Judge shall, after review of all reports, summaries, comments and findings, enter a written order:
 1. Affirming or reversing the supervisor in whole or in part;
 2. Remanding the matter back to the supervisor for further investigation and/or hearing; or

3. Affirming the finds of fact and conclusions, but increasing or decreasing the discipline imposed, if any, under paragraph (II)(D) of this policy.
- F. The Chief Judge or his/her designee shall transmit the written order as provided in paragraph (III)(E) of this policy to the supervisor and all interested parties.

R. COMPENSATION/GIFTS/GRATUITIES

Employees may not directly or indirectly request or accept any gift, favor, service, loan or hospitality for themselves or others under circumstances that might reasonably be construed to influence the performance of their official duties for the State of Illinois. If circumstances make it impossible to refuse a gift (for example, it is received by mail) the employee must write a brief letter to the donor indicating that policy prohibits the acceptance of the item(s). The letter and item(s) must be given to a supervisor, who will arrange for returning them to the donor.

Employees may accept nominal courtesies extended in a spirit of hospitality such as lunches at meetings, conferences, seminars, etc., which are customary or accepted business practices. Employees may also accept certificates, plaques, cups, or similar mementos awarded for contributions to government, civic, athletic, recreational, social, fraternal, professional, religious or comparable activities provided the value of the item is not in excess of \$50. This policy is not intended to prevent CRS employees and individuals from socializing as long as any services, favors or hospitalities extended are those normally extended between friends.

S. ARREST OR CRIMINAL INDICTMENT

At the Chief Judge's discretion, the arrest or criminal indictment of an employee under one of the following circumstances, may be grounds for disciplinary action up to and including discharge.

1. The arrest or criminal indictment resulted from an employee's conduct in the course of employment duties including a failure to perform such duties, or
2. The incident occurred on or proximate to state premises and as a result of the employee's conduct thereon, or
3. The nature of the charge(s) raises reasonable doubt concerning the employee's suitability for continued employment.

The Chief Judge may, at the request of the employee, place the employee on leave without pay pending a final court determination of innocence or guilt or pending further investigation.

T. PRIVACY POLICY

The Chief Judges respect the privacy of their employees. At the same time, however, reasonable measures must be taken to maintain security. The Chief Judge of each circuit or his/her designee reserves the right to inspect and search any person entering or leaving work sites, including any briefcase, purse, lunch box, vehicle, package, backpack or other personal belongings brought into or carried from the facility. The Chief Judge also reserves the right to search circuit or county owned property and equipment (i.e. computers, filing cabinets and desks) at any time and without notice. Any stolen items, drugs, weapons or other contraband found in such a search may result in discipline, up to and including immediate termination.

The Chief Judges are concerned with employee off-duty behavior only when it affects the employee's ability to perform the job or affects the reputation of the court in a negative manner. Only when the court's legitimate interests are substantially injured by an employee's off-duty behavior will that behavior result in disciplinary action.

U. EMPLOYEE ASSISTANCE PROGRAM

The EAP can help identify issues such as:

- Drug/alcohol abuse
- Marital problems
- Depression
- Aging parent issues
- The EAP serves employees and their families by providing information, advocacy, support and access to high-quality mental health and chemical dependency treatment programs, as well as community resources for various other personal issues. The State of Illinois and the Chief Judges are invested in the health and well-being of all their employees, and through the EAP, shows its commitment to helping individuals address personal issues which may affect their quality of life.

The Employee Assistance Program (EAP) is a free benefit offered by the State of Illinois to employees and their eligible dependents covered under the State of Illinois Employees Group Insurance Act.

The Employee Assistance Program (EAP) is administered by Magellan Behavioral Health. To obtain assistance, all eligible employees and their dependents may access the Employee Assistance Plan (EAP), 24 hours a day, seven days a week by calling toll-free 1-866-659-3848.

V. WORKERS' COMPENSATION/EARLY INTERVENTION PROGRAM

All employers are required by law to maintain accurate records of occupational illnesses and injuries that occur at work sites. This includes any injury that occurs on work premises or in the commission of an employee's work. This also includes minor injuries that may not involve medical treatment or time off from work. It is illegal for an employer to discriminate against an employee in any way for exercising his or her rights under the Illinois Workers' Compensation and Occupational Diseases Acts.

An employee who is injured or suffers an occupational illness on the job should:

- Call the Gallagher Bassett Services, Inc. toll-free Injury Reporting Hotline, 1-833-732-5567, immediately after the related injury or illness occurs. Notify your immediate supervisor and file an official report with the Office of the Comptroller, Workers' Compensation (see page 3, Contact Information).
- Be able to provide information regarding your injury, symptoms of your illness, and return to work prognosis when Tristar Risk Enterprise Management, Inc. contacts you.

While an employee is on a leave due to an occupational illness or injury, paid leave benefits do not accrue. The employee's calculated service date remains unchanged.

W. RESIGNATION NOTIFICATION

When employees choose to resign from employment with the State of Illinois, they must submit their written resignation to the Chief Judge who shall provide a copy to Court Reporting Services. It is customary to give at least two weeks' notice of the intention to resign unless an emergency is involved. Individuals terminating their employment with the State of Illinois must return all property, keys, identification cards and any other state, circuit, or county property to their immediate supervisor prior to departing.

IV. EMPLOYMENT POLICIES FOR NON-UNION EMPLOYEES

A. HOURS, ATTENDANCE AND TIME SHEETS

CRS employees will observe hours as determined by the Chief Judge of their circuit. A workweek shall consist of a minimum of 35 hours worked per week. CRS employees serving the courts shall be assigned a work schedule.

Any employee who is not available to work as scheduled, will be late for work or unable to report to work, must contact his or her supervisor as soon as possible. Absences other than emergency situations should be scheduled in advance. Excessive tardiness and/or absenteeism may be cause for disciplinary action.

Court reporting requires a high degree of concentration, mental alertness, and physical stamina. The performance of even the most highly skilled individual can be diminished by stress, fatigue, or distraction, potentially affecting the accuracy of the record. Accordingly, in establishing CRS employees' work assignments, and in the daily conduct of court proceedings, judges shall adopt a schedule which incorporates reasonable work hours and an appropriate number of relief breaks.

If court is adjourned early, an employee is required to complete his or her scheduled work hours at the courthouse unless the approval of the supervisor is sought and granted. Occasionally, matters may arise causing the court to reconvene, in which case it is necessary that the employee be available. When requested by the judge, CRS employees must also be present on the days that court is not ordinarily held, such as Saturdays, Sundays, or holidays.

Each CRS employee is required to complete a time sheet showing hours worked (see Appendix D). These time sheets serve as certification of the employee's presence or absence from work, as well as identify the nature of any used leave benefit. The time sheet shall be completed and signed by the employee and submitted to the employee's supervisor. A CRS employee who has worked approved overtime and is eligible for compensatory time pursuant to the Compensatory Time Policy must also complete a weekly time record documenting hour worked.

Any revisions to time sheets must be accompanied by written justification by the employee identifying the reason for such revision. The employee's supervisor is required to approve or deny any requests for such revisions.

The supervisors shall verify the information received from the employee against the work schedule and leave benefits available before submitting the information to Court Reporting Services.

B. OVERTIME

A workweek shall run from Monday through Friday. Normal weekly work schedules assigned to CRS employees by the Chief Judge of each circuit shall not exceed 40 hours per week. The salary paid to full-time CRS employees is for all hours worked up to a maximum of 40 hours per workweek.

However, in certain circumstances, it may be necessary for a CRS employee to work more than 40 hours in a workweek. All hours worked in employee status exceeding 40 hours in a workweek are considered overtime and shall be subject to the compensatory time policy. The following compensatory time policy is adopted to comply with the Fair Labor Standards Act of 1938 (29 U.S.C. § 207).

C. COMPENSATORY TIME POLICY

1. Compensatory time shall be provided for all overtime hours worked by CRS employees which are hours worked more than 40 in a workweek. Compensatory time shall be provided at the rate of one and one-half times the number of overtime hours worked. Compensatory time off means hours during which an employee is not working, and which are not counted as hours worked during the applicable workweek taken for purposes of overtime compensation.
Example: Employee works 42 hours in a workweek. Two hours of overtime have been worked. The employee shall receive 3 hours of compensatory time off.
2. Hours worked in a workweek outside the assigned normal weekly work schedule on transcript preparation for which CRS employees receive separate compensation by page rate are not counted toward the 40-hour workweek. However, any hours worked listening to electronically recorded proceedings required for the preparation of transcripts, whether separate compensation by page rate is received or not, shall be considered hours worked and counted toward the 40-hour workweek.
3. Time off in a workweek for holidays, sick leave, vacation leave, personal leave, the use of accumulated compensatory time or any other leave shall not be counted in calculating compensatory time.
4. CRS employees shall not work any overtime (more than 40 hours in a workweek without the express written authorization of the judge or supervisor.
5. CRS employees must enter attendance hours for the week in WebHR in order to be awarded for compensatory time when overtime hours occur, or when any compensatory time is earned or used. The weekly time record shall document all hours worked in the week by the CRS employee, including the overtime hours.
6. The Chief Judge or his/her designee shall contact Court Reporting Service by email to notify the office that compensatory time has been earned and entered into WebHR. Court reporting services will add the leave quota in WebHR which will make the time available for the employee to request time off.
7. CRS employees who have accrued compensatory time shall be permitted to use such compensatory time within a reasonable period after making the request. Requests to use compensatory time shall be made to the Chief Judge of the circuit and shall be honored unless to do so would unduly disrupt the court's operation.
8. CRS employees with accumulated compensatory time are encouraged to use earned compensatory time within 30 days of its accrual. Ideally, compensatory time will be used as it is earned and shall never exceed 18 hours accumulation (12 hours of overtime worked).

9. Should a CRS employee accumulate 18 hours of compensatory time (12 hours of overtime worked), the Chief Judge shall develop a plan for the employee to use the earned compensatory time and attempt to prevent similar excessive overtime to occur in the future.
10. CRS employees shall not be allowed to accumulate more than 24 hours of compensatory time (16 hours of overtime worked). Should a CRS employee accumulate 24 hours of compensatory time, the Chief Judge shall direct the employee's use of the accumulated compensatory time in a manner which will not unduly disrupt the court's operation.
11. Time spent in travel to a work location other than the CRS employee's headquarters may, in certain circumstances, be considered as hours worked during a workweek. Such hours shall also be subject to overtime and the compensatory time policy.
 - a. Residence and Headquarters. Time spent in travel between a CRS employee's residence and headquarters is never considered hours worked and is not eligible for mileage reimbursement or compensatory time.
 - b. Residence and Temporary Work Location. Time spent in travel between a CRS employee's residence and a temporary work location (and from the temporary work location back to the residence) shall be considered hours worked provided the employee does not pass through his/her city of headquarters in travel to the temporary work location. This travel is eligible for compensatory time off in the event the employee works more than 40 hours in the workweek. Should the employee travel through his/her city of headquarters while traveling between his/her residence and a temporary work location, subsection c. of this paragraph shall apply.
 - c. Headquarters and Temporary Work Location. Time spent in travel between a CRS employee's headquarters and a temporary work location (and from the temporary work location back to headquarters) shall be considered hours worked. This travel is eligible for compensatory time off in the event the employee works more than 40 hours in the workweek.
12. It is preferred that CRS employees utilize all unused compensatory time prior to their separation from employment. If this is not possible, any unused earned compensatory time will extend the effective date of the employee's separation by the amount of unused compensatory time.

Questions concerning overtime hours worked or the compensatory time policy and its application should be directed to either the CRS employee's Chief Judge, supervisor, or Court Reporting Services.

D. ON CALL POLICY

If it is necessary for an employee to be on call outside of normal working hours, the time shall be calculated as half-time working hours. For example, if an employee is on call for four hours, it shall be considered two hours working. On call time shall be counted when calculating hours worked and subject to the compensatory time policy if total hours exceed 40 hours in a work week.

The Chief Judge shall approve all on call hours, and the hours must be for a specific case or purpose. Employees shall be scheduled to be on call with as much notice as possible. On call status shall not be approved during the employee's normal scheduled working hours or during any time that an employee is on leave status (i.e. vacation, personal day, sick leave, compensatory time, etc.). Placing an employee on call between the hours of 11:00 p.m. and 6:00 a.m. shall be avoided if possible.

When an employee is on call, he or she must be able to be contacted at any time during the approved on-call hours by telephone or paging device. If an employee is called to the work site while on call, accumulation of full-time hours worked shall begin when the employee arrives at the work site.

E. HOLIDAYS

The Supreme Court establishes the holidays observed by the judicial branch. In addition to those holidays, the Chief Judge in each circuit may declare a court holiday in any county in the circuit when the court facilities in that circuit or county are otherwise closed for the observance of a holiday not designated by the Supreme Court.

In the event the court facilities in a circuit or county are to remain open on one or more of the holidays, the Chief Judge of the circuit in which that situation occurs may disregard the listed holiday and declare the court open on that day.

To be eligible for holiday pay, employees must work their last regularly scheduled workday immediately preceding and their first regularly scheduled workday immediately following the holiday, unless they are excused in writing by the administrative authority from compliance with this requirement. Excuses shall be granted for pre-approved vacation, personal and sick leave, or other pre-approved leave with pay. Excuses may be granted for other reasons at the discretion of the Chief Judge. Employees who are not excused as provided above are considered ineligible for holiday pay.

The following holidays are generally observed by judicial branch employees:

New Year's Day	Labor Day
Martin Luther King Jr.'s Birthday	Columbus Day
Lincoln's Birthday	Veteran's Day
Washington's Birthday	Thanksgiving Day
Memorial Day	Day following Thanksgiving Day
Juneteenth	Christmas Day
Independence Day	

F. LEAVE POLICIES AND SCHEDULES

1. Vacation

An employee shall earn vacation days at a rate based upon the employee's length of calculated service. The employee must be in paid status at least one-half of the workdays in a pay period to earn vacation for that pay period. No employee on an unpaid leave of absence may earn vacation time.

Vacation days are awarded for the calendar year as follows:

Calculated Service Time	Vacation Days Awarded
0-4.9	10
5.0-8.9	15
9.0-13.9	17
14.0-18.9	20
19.0-24.9	22
25+	25

Vacation time is earned semi-monthly and is credited to the employee leave balance on January 1st of each year before it is earned. Employees are not allowed to borrow vacation days from the next calendar year.

Vacation earning schedule:

10-day schedule – 0.833 days per month

15-day schedule – 1.25 days per month

17-day schedule – 1.42 days per month

20-day schedule – 1.67 days per month

22-day schedule – 1.83 days per month

25-day schedule – 2.08 days per month

If any vacation leave balances do not end in a half or full-day balance, the leave time shall be rounded to the closest half day amount. The adjustment shall be made at the time the leave is awarded annually or if it is adjusted due to changes in earnings for unpaid leave or part-time employee schedules. The rounding may be necessary for part-time employees due to prorations, employees losing time due to unpaid leave, employees in a transition earning year, and new employees only working a partial year.

As of July 1, 2018, employees began accumulating vacation time without limitation on the amount of accumulation. All accumulated vacation time in excess of two (2) years' worth of accumulation will be forfeited and unpaid upon departure from employment for any reason.

Part-time employees shall earn vacation on a prorated basis according to the vacation accrual schedule set forth in this policy, providing the employee works at least 50% of the regular work days in a month as determined by the Chief Judge.

An employee is considered in a "transition year" if they will reach a higher vacation earning schedule during the calendar year based on his/her calculated service date. In a transition year, an employee will be awarded vacation days pursuant to the previous vacation schedule until the month of his/her calculated service date and then earn on the higher vacation schedule for the remainder of the calendar year.

Vacation leaves must be submitted through WebHR and approved by the administrative authority prior to being taken. In establishing vacation schedules, the administrative authority shall consider both the employee's preference and the operating needs of the court. Employees may only take vacation leave in one-half or whole day increments.

Upon termination of employment, and provided the employee is not employed in another position with Court Reporting Services payroll within four (4) days, an employee is entitled to receive a lump-sum payment for the equivalent value of unused and earned vacation days pursuant to the monthly schedule, not to exceed two (2) years' worth of accumulated time. If the employee has used more vacation days than earned on the date of their termination, payroll reimbursement for those days will be deducted from the employee's final pay warrant. If the employee's final pay warrant is not sufficient to cover used/unearned vacation time, the employee must reimburse the State for the remaining balance owed.

The lump-sum payment for unused vacation days shall not extend the effective date of termination by the number of vacation days represented in the lump-sum payment. Upon the death of a State employee, the lump-sum payment for unused vacation days shall be paid to the employee's estate or other person entitled to the payment under the Probate Act.

2. Sick Leave Policy

a. General Provisions

All full-time CRS employees, except those in temporary or contractual status or on certain types of leave, shall accumulate sick leave credit in increments of one-half day for each pay period of service, for a maximum of twelve (12) days per calendar year. Part-time employees shall be eligible for sick leave benefits on a prorated basis providing the employee works at least 50% of the workdays in the pay-period. Sick leave will be awarded on January 1st of each year for the year, which assumes the employee will be in paid status for the entire year. New employee benefits will be prorated and awarded upon employment based on the month they are hired.

The Chief Judge, at his or her discretion, may allow a CRS employee to "make up" a maximum of two hours for time taken off work for medical appointments rather than require the use of sick leave. Requests to make up time and the suggested date(s) and time(s) that the employee will work to make up time to cover the absence, must be approved by the supervisor prior to the absence.

The use of sick leave may be requested when it is necessary for the employee to be absent from work due to their own or an immediate family member's illness, injury, or doctor/dental appointments. An employee should request approval of sick leave in advance of the time it will be used, except when the use of unscheduled sick leave is necessary because of a sudden illness or medical emergency. An employee must notify the supervisor or other designated person prior to the start of the workday of an absence due to a sudden illness or medical emergency.

The Chief Judge may require documentation to substantiate that such sick days were used for the purposes set forth herein in cases of chronic use of sick leave. Chronic use of sick leave is defined as three (3) or more sporadic and/or consecutive sick days within a four-week period.

Employees may only use sick leave in one-half or whole day increments. Sick leave cannot be used for occupational illnesses and injuries that are eligible for workers' compensation benefits.

Sick leave time does not have a cap on accumulation. At the time of the employee's termination of service, unused sick leave time may be used to establish State Employees' Retirement System credit if an employee

begins their pension within 90 days of separation of service. Employees are not paid for unused sick leave time at the separation of service.

b. Extended Sick Leave of Absence

If it is necessary for an employee to be absent from work for three (3) or more consecutive working days because of a non-occupational illness or injury, an employee may be granted extended sick leave upon providing medical documentation of the illness or injury.

When an extended sick leave of absence is requested due to an immediate family member's illness or injury, a physician's statement or medical documentation is required. "Immediate family" for the purpose of sick leave benefits includes spouse, civil union partner, child, or parent.

An employee requesting to use sick leave for an extended absence may be required to execute consent forms and see an independent doctor designated by the Chief Judge. The cost for the independent doctor will be borne by the State of Illinois. The independent doctor will evaluate the medical conditions of the employee and make a recommendation to the Chief Judge as to the extent of the illness and the ability/inability of the employee to perform her/his normal work responsibilities. If the independent doctor finds that the employee can perform normal work responsibilities, the employee, with the approval of the administrative authority, will have the option of using either vacation leave, personal leave, or unpaid leave days for the extent of the illness.

Under these circumstances where an extended sick leave is not approved, the employee has ten (10) working days to communicate to the administrative authority the preference in which her/his time will be accounted. If no communication is received from the employee, the administrative authority will determine the method by which the time is accounted. Additionally, if any employee fails to provide proper documentation of illness or injury when required by this policy, the administrative authority may also determine the method by which the time is accounted.

c. Sick Leave for Maternity Purposes

After utilizing maternity leave, sick leave may be used for additional maternity leave time until FMLA time expires. All other provisions of the extended sick leave of absence also apply when used for maternity purposes.

3. Sick Leave Bank

Court Reporting Services has established a sick leave bank for use by participating employees who have exhausted all other paid leave due to an illness or injury which is considered catastrophic in nature. The purpose of the sick leave bank is to allow employees to share their sick days with co-workers who do not have enough sick days of their own to deal with a catastrophic illness or injury. The following are the sick leave bank rules:

1. The sick leave bank shall be open to all permanent full-time and part-time employees and is entirely a voluntary benefit.
2. An employee must deposit at least one (1) sick day in the sick leave bank to be a member.
3. Once an employee has contributed sick days to the sick leave bank, he or she shall not be able to withdraw the contribution for any reason.

4. An employee must retain at least five (5) sick days in his or her own sick leave account to donate days.
5. A participating employee may use the sick leave bank for his or her own illness or the illness of an immediate family member (spouse, civil union partner, child, or parent)
6. A participating employee must use up all accrued vacation, personal days, sick leave, compensatory time, and/or any other paid leave benefit before using the sick leave bank. Paid leave time which has been awarded, but not yet earned, should not be used.
7. An employee may only use the sick leave bank for a catastrophic illness or injury. A catastrophic illness or injury shall be defined as a life-threatening condition or a severe illness or injury of other catastrophic proportions.
8. The Chief Judge of the circuit shall evaluate whether a particular illness or injury is considered to be “catastrophic” as defined above.
9. The Chief Judge may grant a participating employee up to a maximum of thirty (30) days out of the sick leave bank in a rolling twelve (12) month period.
10. A participating employee must have been a member of the sick leave bank for thirty (30) days prior to utilizing the sick leave bank benefit.
11. An employee may voluntarily enroll at any time, provided he or she meets the qualifications for membership by applying to their Chief Judge's office.
12. An employee may contribute as many sick leave days as he or she wishes to the sick leave bank if five (5) sick leave days are retained in the contributing employee's personal account.
13. Each circuit shall maintain a list of participating employees showing the number of days contributed by each member and the number of days each member has used in the rolling twelve (12) month period.
14. Participating employees who transfer from one circuit to another shall be able to transfer their participation when transferring to another circuit utilizing the same sick leave bank.
15. An employee whose injury or illness is compensable under the Workers' Compensation Act or Workers' Occupational Diseases Act shall not be eligible to use sick leave bank days for such illness or injury.
16. Upon termination, retirement, or death, neither a participating employee nor the participating employee's estate shall be entitled to payment for unused sick leave.
17. The circuit shall forward sick leave bank documentation to Court Reporting Services at any time when days are added to or requested to be used from the sick leave bank.

4. Personal Leave

On January 1st of each year, all full-time employees will be granted three (3) personal leave days. Parttime employees are prorated based on their percentage worked. For new hires, or any employee on unpaid leave as of January 1st, the days will be prorated and granted at the rate of ½ day for every two months of service for the remainder of the calendar year. Employees will not be paid for any unused personal days at termination, nor will employees be charged for used personal days prior to termination. Personal days will be used in full or half day increments. There will be no carryover of personal days into the next calendar year

5. Maternity/Paternity Leave

Qualified employees who become parents are eligible for fifty (50) paid workdays as maternity/paternity leave. For part-time employees, the maternity/paternity leave is prorated based on the employee's percentage worked. This leave is limited to one per family per calendar year. For multiple births or adoptions, only one leave may be taken. Maternity/paternity leave is for the purpose of bonding with a new member of the household. Employees are not eligible for the above referenced leave in the event the adoption is for a minor child with whom the employee has previously established residency for a period of one (1) year or more.

This leave is for consecutive workdays and may not be staggered or broken up. Use of this time shall occur during the first fifty (50) workdays following the birth or adoption of a child unless other arrangements are made and approved by the Chief Judge. This leave shall run concurrently with any Family and Medical Leave Act benefits for which an employee may be eligible.

For the purposes of this policy, a qualified employee is defined as follows:

- a. an employee who submits to the Chief Judge's office a certification of pregnancy and expected due date signed by a physician;
- b. an employee who, because of medical emergency, is unable to submit a certification of pregnancy and expected due date signed by a physician as specified in (A) above, but who submits a certification as soon as reasonably practicable from a physician stating the nature of the medical emergency; or
- c. an employee who submits to the Chief Judge's office as soon as reasonably practicable, documentation (court order, adoption agency forms, etc.) relating to the adoption of a child and showing the date of the adoption.

The pregnancy certification or adoption information received by the Chief Judge's office should be uploaded to the employee's WebHR account. If any employee will go on unpaid leave at any time during maternity leave or recovery, Court Reporting Services should be notified immediately to make the necessary changes with the payroll department.

6. Unpaid Leaves of Absence

a. General Provisions

When an employee has used all eligible paid leave time, he or she may request an unpaid leave day or an unpaid leave of absence. Any unpaid time should be reported to Court Reporting Services immediately by email. An extended unpaid leave of absence should be requested on a Leave of Absence form and submitted with a projected attendance record. Supervisors should monitor employee leave balances and notify Court Reporting Services at least 14 days prior to an employee exhausting their paid leave time if he or she is on an extended leave of absence. If prior notice of unpaid leave is not possible, it should be reported to Court Reporting Services immediately by email even if the proper forms have not yet been returned by the employee.

During an unpaid leave, the employee is removed from the payroll. Member-paid portions of insurance premiums are billed directly to the employee by the Department of Central Management Services (CMS). If the leave is for personal reasons, the state-paid portion of the insurance premium will also be billed

directly to the employee. Failure to pay insurance premiums in a timely manner may result in an interruption of insurance benefits and/or an involuntary withholding of premium payments. Employees on unpaid leave have the option, within 60 days of beginning unpaid leave, to drop dependent insurance coverage, drop or reduce optional life insurance coverage, or waive insurance coverage completely.

Employees on unpaid leaves do not accrue vacation or sick leave benefits. If you have any questions about your insurance options and responsibilities while on an unpaid leave of absence, contact the Comptroller Payroll Division (see Contact Information, Section I). If an employee does not return to work within five (5) days of the reported return date and does not provide a request for an extension of leave time, this may be considered job abandonment and grounds for dismissal. The maximum period that an employee may remain on unpaid leave is one year. If an employee is unable or unwilling to return within the permitted time frame, it may be cause for discharge.

When an employee is on unpaid personal leave on a sporadic basis, on the 31st unpaid leave day in one fiscal year, CMS will bill the employee for one month of member and state portions of the insurance premiums. Additionally, the employee's vacation leave, sick leave and calculated service date will be adjusted accordingly. Upon return from unpaid leave, an employee will have his/her leave benefits and calculated service date adjusted for all time not classified under FMLA.

b. Unpaid Medical Leave of Absence

If an employee uses all accumulated paid sick leave due to a non-occupational illness or injury, the employee may qualify for unpaid leave under the Family and Medical Leave Act (FMLA) or request unpaid medical leave. The employee may be eligible for non-occupational disability benefits under the provisions of the State Employees' Retirement System for leave extending beyond the maximum FMLA or unpaid medical leave time.

Employees on unpaid medical leaves must submit a physician's statement to support their leave requests. The physician statement must include either a follow up appointment date or a return to work date. If an employee on unpaid medical leave does not provide the necessary documentation, the leave will then be classified as an unpaid personal leave.

c. Unpaid Personal Leave of Absence

An employee may request approval for an unpaid personal leave of absence for reasons such as family illness, extended maternity, or other personal reasons. An employee may also be involuntarily placed on an unpaid personal leave of absence when the proper request forms or documentation have not been provided to substantiate an unpaid medical leave of absence or unpaid FMLA leave. Unpaid personal leave may not be requested until the employee has exhausted all vacation and personal leave. When an employee is involuntarily placed on unpaid personal leave, vacation and personal leave time do not need to be utilized first.

7. Bereavement Leave

Leave with pay is granted to employees for death in the immediate family from the date of death up to and including the day of the funeral. This leave may not exceed four (4) days. For purposes of bereavement leave, the definition of immediate family is extended to include parents, siblings, children, adoptive

individuals, “in-law” individuals, step-children, step-parents, grandparents, grandchildren, and the parent of the employee’s minor child(ren) whether or not residing in the employee’s household.

In addition, an employee may be allowed one (1) day paid leave to attend the funeral of a close relative who is not an immediate family member. This leave must be approved by the administrative authority.

8. Family and Medical (FMLA) Leave

The Family and Medical Leave Act of 1993 (FMLA) provides eligible employees up to 12 weeks of unpaid leave in a rolling 12-month period. “Eligible employees” are those who have worked for the State of Illinois for at least 12 months prior to the time of the leave request (not necessarily successively), and who have worked for at least 1,250 hours in a position within Court Reporting Services during the previous 12-month period. Family leave may be provided to eligible employees for the following reasons:

- Childbirth, adoption, and foster care. This entitlement expires 12 months from the date of birth or placement.
- Caring for a child, spouse, or parent who has a serious health condition.
- The inability of the employee to perform the functions of his or her job due to the employee’s own serious health condition.

FMLA is not a paid leave benefit unless the employee utilizes accrued leave time in conjunction with FMLA leave. An employee is required to use paid sick leave concurrently with FMLA benefits in the case of the employee’s own serious health condition for any portion of the 12 weeks. An employee may also choose to use accrued vacation and personal time during FMLA but shall not be required to use this time prior to going on an unpaid FMLA leave.

In no instance may the total FMLA leave, paid and unpaid portions, extend beyond 12 weeks in a rolling 12-month period. (A “rolling” 12-month period is measured backwards from the date an employee uses any FMLA leave.) Any other paid leave time used as part of a qualified FMLA leave may also be counted as part of the 12-week allowance.

The employee must notify the Chief Judge at least 30 days prior to the date of the leave request for foreseeable leaves of absence. If 30 days advance notice cannot be given, the employee must provide notice within a practicable period of time.

An employee taking FMLA leave will be offered the same or equivalent job upon returning to work.

Vacation days, as well as sick leave benefits, do not accrue during the time the employee is on unpaid FMLA leave. The employee’s state-paid basic health coverage will continue to be paid by the state during FMLA leave. Employees will continue to pay their own member portion and any optional or dependent coverage in effect at the time of the leave. The employee’s calculated service date does not change during FMLA leave.

A Leave of Absence Request form should be completed by the employee, submitted along with any necessary medical documentation to be approved by the Chief Judge, with a copy uploaded to WebHR on their leave request. Court Reporting Services should be notified prior to the beginning of the leave so that proper FMLA notification may be provided to the employee.

Once an unpaid FMLA expires, if the employee has not approved for non-occupational disability benefits through State Retirement System, they will be moved to an unpaid personal leave. During an unpaid personal leave, the employee would be responsible for 100% of any insurance premiums including the employer and employee portions.

9. Educational Leave Policy

CRS employees may request up to two (2) days per year for continuing education or work-related training other than the annual Court Reporting Services seminars held by Court Reporting Services. The following requirements must be met for an approved education day(s):

- Employees requesting education days must submit the training agenda and receive prior approval from the Chief Judge to attend the training. The time off should be requested as an Education Day through WebHR with the relevant documentation uploaded to the leave request.
- Training must be job-related and awarded continuing education credit by the Illinois Department of Professional and Financial Regulation or the National Court Reporters Association.
- The employee must successfully complete the training course. A copy of a certificate of completion or continuing education credit must be submitted to the administrative authority.
- Mandated cases shall have adequate coverage for the day(s) that a reporter is on educational leave. Per diem services cannot be used to allow a reporter to attend training.
- Court Reporting Services is not responsible for the payment of any registration fees or travel expenses incurred, although the employee may use training time for necessary travel to the training location.
- Any time taken for training may not be included as hours worked nor used in the calculation of compensatory time for that week.
- Any request for variance to this policy must be submitted to the administrative authority in writing prior to the employee participating in training.

Educational days allow for time off work only. Training sessions held on weekends or any other time the employee would not normally be scheduled to work does not earn equivalent time off work. Employees who are unable to meet all the above requirements for educational leave will be required to use vacation, personal leave or accrued compensatory time for educational training.

10. Professional Recruitment and Promoting Days

CRS employees may request time off work to promote the court reporting profession and/or to perform approved recruitment activities for the circuit. The employee should submit a request in writing to their Chief Judge's office with a description of recruiting/promotional activities, including the location and time of the event(s), and the type of audience (i.e. high school students, junior college, etc.). The time off should be requested as a Professional Day through WebHR with the relevant documentation uploaded to the leave request.

11. Jury Duty/Work-Related Subpoena

Full-time or part-time, regular employees called for jury duty or subpoenaed by any legislative, judicial, or administrative tribunal for work-related purposes, shall be allowed time away from work with pay for such reasons. The leave shall be entered as Jury Duty in WebHR with documentation uploaded to the leave request.

In order to remain in paid status for jury service, employees shall submit the warrant paid for serving as a witness or juror, or its equivalent, to Court Reporting Services to be returned to the fund in the state treasury from which the original payroll warrant was drawn. If part of the sum received includes serving during a time when employees were not scheduled to report to work, employees may retain that portion of the warrant. Employees may also retain any portion of pay that covers items such as mileage and parking reimbursement. If a personal check is submitted for witness or jury payments, the employee shall make the check out to the State of Illinois and submit it with a copy of the check or check stub from the county to Court Reporting Services.

An employee may elect to fulfill such call or subpoena by taking vacation leave, leave without pay or compensatory time if approved by the Chief Judge or designee. Under these circumstances, an employee can retain the sum paid for jury service or as a witness fee.

Employees on a temporary status shall be allowed time off without pay for such purpose and shall be allowed to retain the reimbursement received for such services. Employees must report to work during regularly scheduled hours upon being excused from jury duty or released as a witness.

Chief Judges will not ask that employees be excused from jury duty except in cases of real necessity. Chief Judges should request that employees be excused from jury duty in those instances where their services are required to meet essential work schedules and where the courts or public interests are better served by the employees remaining at work.

Employees must notify the Chief Judge or designee as soon as possible when called to jury duty or upon being subpoenaed.

Employees who receive a subpoena to appear in personal, non-work-related litigation must use available paid leave time (excluding sick leave) or be placed on a leave without pay status.

12. Military Leave of Absence Act

Illinois statute 5 ILCS 325/1 requires that any full-time CRS employee who is a member of any reserve component of the United States Armed Forces or of any reserve component of the Illinois State Militia shall be granted leave from employment with the State of Illinois for any period actively spent in such military service, including:

- Basic training;
- Special or advanced training;
- Annual training; and
- Any other training or duty required by the United States Armed Forces.

During such leaves, the employee's seniority and other benefits shall continue to accrue. Leave shall be entered into WebHR as "Other" with any relevant documentation uploaded with the leave request.

During leaves for annual training, the employee shall continue to receive his or her regular compensation as a CRS employee. During leaves for basic training and up to 60 days of special or advanced training, if such employee's compensation for military activities is less than his or her compensation as a CRS

employee, he or she shall receive his or her regular compensation as a CRS employee minus the amount of his or her base pay for military activities.

13. Disaster Service Volunteer Leave Act

According to 5 ILCS 335/3, the Disaster Service Volunteer Leave Act, employees who are certified disaster service volunteers of the American Red Cross may be granted leave with pay by their administrative authority to participate in specialized disaster relief services upon the request of the American Red Cross. Leave with pay may be granted for not more than 20 workdays in any 12-month period without loss of seniority, vacation time, sick time and if applicable, earned overtime, compensatory time or personal days. Employees will be compensated at their regular rate of pay for those regular work hours during which employees are absent from work.

14. Voting

According to Illinois statute 10 ILCS 5/17-15, any employee entitled to vote at general or special election or at any election at which propositions are submitted to a popular vote in this State, shall, on the day of such election, be entitled to a leave period of two (2) hours between the time of opening and closing the polls to vote without penalty. The employee must request this leave prior to the day of election. The Chief Judge may specify the hours during which the employee may be absent.

15. State Employee Retirement System Workshops

CRS employees may attend SERS Retirement Workshops once every five (5) years without using paid leave time. An employee may also be approved to attend a different retirement workshop within the five (5) years without using paid leave time on a case-by-case basis. If an employee wishes to repeat a workshop within five years, they must use paid leave time to do so. Employees are not eligible for travel reimbursement for SERS workshops.

Employees must receive approval to attend a workshop from their supervisor before registering online at: <https://www.srs.illinois.gov/SERS/WSRegistration.htm>. Paper registrations are no longer accepted. Leave time shall be entered in WebHR as “SERS Workshop” with the session name entered into the “reason” field.

16. Victims’ Economic Security and Safety Act (VESSA)

The Victims’ Economic Security and Safety Act (VESSA), 820 ILCS 180/ provides an employee who is a victim of domestic or sexual violence, or who has a family or household member who is a victim of domestic or sexual violence, twelve (12) weeks of unpaid leave during any twelve (12) month period to address issues arising from domestic or sexual violence.

An employee may take VESSA leave for the following reasons:

- Seek medical attention for, or recovery from, physical or psychological injuries caused by domestic or sexual violence to the employee or employee’s family or household member;
- Obtain victim services for the employee or employee’s family or household member;
- Obtain psychological or other counseling for the employee or the employee’s family or household member;
- Participate in safety planning, including temporary or permanent relocation or other actions to increase the safety of the victim from future domestic or sexual violence; or

- Seek legal assistance to ensure the health and safety of the victim, including participating in court proceedings related to the violence.

All requests for VESSA leave will be kept completely confidential.

Please contact Court Reporting Services to obtain specific information about the requirements of VESSA leave.

POLICIES FOR APPEAL TRANSCRIPT PAYMENTS

Revised 7/1/2023

It is the policy to approve payment of transcript fees by the State of Illinois when required pursuant to statute, rule, or order. A proceeding is transcribed only once at the original rate and the defendant's copy shall be provided without charge (see Supreme Court Rule 607). Any additional transcripts of the hearing for subsequent indigent appeals (different case number or co-defendant) shall be created at the copy rate and any additional defendant copies required are provided without charge.

The State will not pay for the same transcript, same defendant, same case number more than once. Accordingly, the documentation provided must reflect an additional case number or defendant. Otherwise, payment will be rejected as a duplicate request

One Defendant, Two Case Numbers

A proceeding was held for Defendant John Doe. This hearing included his cases #1 and #2. Both cases are appealed.

The court reporter produces one transcript for e-filing, and if requested, provides a paper copy for John Doe without charge when case #1 is appealed. When case #2 is appealed, if an additional transcript is required to be e-filed, the reporter may bill at the copy rate, and may need to provide another paper transcript for John Doe without charge if the second appeal is at a later date.

Billing = original rate for e-filing in case #1 and a copy for e-filing in case #2.

Co-Defendants

A proceeding was held for co-defendants Bill Jones and Mary Johnson. This hearing included Bill Jones' case and Mary Johnson's case. Each defendant will have a separate billing entry in the Court Transcript Fee (CTF) system.

The court reporter produces one transcript for e-filing, and if requested, provides a paper copy for the first defendant's appeal without charge. When the case for the other defendant is appealed, if an additional transcript is required to be e-filed, the reporter may bill at the copy rate, and may need to provide another paper transcript without charge for the second defendant.

Billing = original rate for e-filing in the first appeal and a copy for e-filing in the second appeal.

Summary of Mandates

For the Record of Proceedings in the Illinois Courts

Several Supreme Court Rules and Illinois Compiled Statutes require a verbatim record of court proceedings, especially in the case of indigent defendants:

Supreme Court Rule 323 - designates the transcript of proceedings as a part of the record on appeal.

The Court Reporters Act (705 ILCS 70/5) - requires a court reporter to make a full reporting of the evidence and such other proceedings to which they are assigned by the chief judge.

Marriage and Dissolution of Marriage Act (750 ILCS 5/604) - requires a court reporter to make a complete record of child interviews in custody/visitation proceedings.

Mental Health and Developmental Disabilities Code (405 ILCS 5/1-100 *et seq.*) - requires a verbatim record of hearings concerning involuntary admissions and provides that the State pays for transcripts for indigent respondents.

Code of Criminal Procedure/Grand Jury Proceedings (725 ILCS 5/112-6) directs the court to appoint a reporter if none is assigned by the State's Attorney.

Arraignments (705 ILCS 75/1) directs the court reporter to take the record of the arraignment if the accused, upon conviction, may be punished by imprisonment in the penitentiary.

Waiver of Counsel (Supreme Court Rule 401) shall be in open court with a verbatim record to be transcribed upon order of the court and made part of the common law record.

Guilty Pleas (Supreme Court Rule 402) be taken verbatim when defendant is charged with a crime punishable by imprisonment in a penitentiary. Upon order of the court, the record is transcribed and made part of the common law record.

Sentencing Hearings/Unified Code of Corrections (730 ILCS 5/5-4-1(c)) - sentencing hearings for certain crimes with personal injury are required to have a verbatim record filed with the court as a public record.

Indigent Defendants (U.S. Constitution, Supreme Court Rule 607) - provides for a record of proceedings free of cost for defendants in a criminal case (felony and non-felony) if they have been found without the means to pay for such a record for the purpose of appeal.

Bail Orders (Supreme Court Rule 604) - provides that the court may order the court reporter to file a report of the proceedings on the question of bail.

Judgment and Sentence After Plea of Guilty/Not Guilty (Supreme Court Rule 605) provides an indigent defendant the rights to certain transcripts.

The Record on Appeal (Supreme Court Rule 608) - provides for what is included in the record on appeal.

Post Conviction Proceedings (Supreme Court Rule 651) provides for a transcript of post-conviction proceedings for indigent defendants.

Post Conviction Petitions (725 ILCS 5/122-4, Supreme Court Rule 471, 705 ILCS 75/2) provides for transcripts of proceedings to be provided to indigent defendants related to post-conviction petitions/hearings.

Delinquent Minors (Supreme Court Rules 660 and 661) applies rules applicable rules for criminal cases to apply to proceedings under the Juvenile Court Act.

Other Rules/Statutes Relevant to Court Reporters and the Official Record

Supreme Court Rule 46 - Designates the means of taking a record, security of records, defines court personnel as it relates to the official record, establishes the Administrative Office of the Illinois Courts shall establish and keep standards, in addition to other procedural requirements, as it relates to the official record.

Court Reporters Act (705 ILCS 70/) provides the Chief Judge of each circuit, and collectively as employer representatives, the authority to manage court reporting services employees.

Code of Conduct for Court Reporting Services Employees

Revised January 16, 2023

Preface

The Chief Judges, as employers of court reporting services employees, adopt this Code of Conduct to provide guidance regarding the ethical conduct of court reporting services employees. The Code of Conduct is effective January 16, 2014.

The seven sections of this Code establish broad standards of ethical conduct and provide general guidelines for meeting the public's expectations of court reporting services employees. As such, the Code is not exhaustive and is not intended to cover every aspect of an employee's behavior. Nor does the Code supplant or infringe upon existing or future policies of Court Reporting Services; rather, it should be read in conjunction with the relevant policies and regulations governing court reporting services employees¹ and the laws of the State of Illinois to the extent applicable to each employee. Moreover, the standards set forth shall not affect or preclude more stringent standards imposed by law or by court order.

Preamble

Employment in the court system is a public trust justified by the confidence that Illinois citizens hold in those individuals employed by judicial branch. To remain faithful to that trust, court reporting services employees must observe high standards of conduct in order to ensure that the integrity and independence of the courts is preserved. A court reporting services employee must engender public confidence that those matters involving life, liberty and property are decided by a fair and impartial judicial system; that court decisions, rules and policies are made through established procedures; and that a court reporting services employee will not use his or her position to obtain personal benefits. A court reporting services employee must avoid not only impropriety but the appearance of impropriety.

It is the Chief Judges' expectations that court reporting services employees will carry out all assigned duties with loyalty to the principles embodied in this Code. A court reporting services employee must uphold the Constitution, laws and legal regulations of the United States, the State of Illinois and all governments therein, and never be a party to their evasion. A court reporting services employee shall abide by the standards set out in this Code and shall endeavor to expose violations of this Code wherever they may appear to exist.

Applicability

The term, "court reporting services employee," includes within its scope all state-paid employees employed under the Court Reporting Services division including court reporters, court specialists, administrative staff, office assistants and supervisors.

¹ For more detailed guidance on issues such as confidentiality, conflicts of interest or political activities by court reporting services employees, please consult the appropriate Court Reporting Services regulation.

- H) No court reporting services employee shall refuse to enforce or otherwise carry out any properly issued rule or order of court, nor shall court reporting services employees exceed that authority.
- I) Every court reporting services employee shall immediately report violations of this Code to the appropriate authority.
- J) A court reporting services employee who knowingly violates the Code of Conduct shall be subject to discipline as determined by the employee's Chief Judge.
- K) Court reporting services employees who are licensed in the State of Illinois as shorthand reporters are also bound by the appropriate professional duties of those licenses.

- C) Confidential information that is available to specific individuals by reason of statute, court rule or administrative policy shall be provided only by persons authorized to do so.

- E) Court administrators and/or supervisors shall educate court reporting services employees about what information is confidential and, where appropriate, should designate materials as confidential.

Public opinions include, but are not limited to: social media posts, agreeing/disagreeing with or “liking” another person’s online comments, or comments/entries on web pages or blogs. All media requests for information should be referred to the Chief Judge’s office. This provision does not prohibit court reporting services employees from having employment-related discussions with parties to a case or with other employees of the court.
- H) No court reporting services employee shall either initiate or repeat ex parte communications from litigants, witnesses or attorneys to judges, jury members, or any other person.
- I) A former court reporting services employee should not disclose confidential information when disclosure by a current court reporting services employee would be a breach of confidentiality.

Section III - Improper Use of Position and Related Prohibitions

- A) No employee shall use or attempt to use his or her official position to secure unwarranted privileges or exemptions for the employee or others.
- B) No employee shall accept, solicit, or agree to accept any gift, favor or anything of value based upon any understanding, either explicit or implicit, that the official actions, decisions or judgment of any employee would be influenced thereby. Gifts that do not violate this prohibition against abuse of position are further regulated in Section IV, Subsection (B)(5) of the Code.

- C) No employee shall discriminate by dispensing special favors to anyone, whether or not for remuneration, nor shall any employee so act that the employee is unduly affected or appears to be affected by kinship, rank, position or influence of any party or person.
- D) No employee shall request or accept any fee or compensation, beyond that received by the employee in his or her official capacity, for advice or assistance given in the course of his or her public employment.
- E) Each employee shall use the resources, property, personnel facilities, equipment, time or funds under the employee's official control judiciously and solely in accordance with prescribed statutory and regulatory procedures.
- F) Court reporting services employees shall not
 - (1) authorize or use the authority or influence of his or her office to secure authorization of any contract in which the employee, a member of the employee's family, or a business, organization or person with which the employee is associated has an interest; or
 - (2) have an interest in the profits or benefits of a contract entered into by or for the use of the court.
- G) A court reporting services employee shall not participate in, vote on, influence, or attempt to influence an official decision if the employee, a family member, or a business or organization with which the employee is associated has a primary interest in or may derive a reasonably foreseeable benefit from the decision, unless the pecuniary interest or potential benefit is incidental to the employee's position or accrues to the employee as a member of a profession, occupation, or large class to no greater extent than could reasonably be foreseen to accrue to all other members of the profession, occupation, or large class.

In all matters, Court Reporting Services/Office of the Chief Judge and its designees are authorized to secure additional information and follow-up on any complaint of discrimination and harassment.

All reports of discrimination and harassment will be taken seriously and are subject to investigation. The scope of the investigation will vary based on the nature of the complaint and other factors. Individuals who file complaints will be notified about the status of their complaint, the results of the investigation and any corrective and preventative action taken. Any person subject to this policy who believes he or she has been or is being subjected to discrimination or harassment or has witnessed an individual being subjected to discrimination or harassment should follow the complaint procedure outlined below.

A. Procedure

1. Initial Steps

Any individual subject to this policy who feels that he or she has been or is being subjected to discrimination or harassment or who has witnessed discrimination or harassment may choose to direct the offending party to stop. If the individual does not feel comfortable confronting the offending party or if the conduct continues after directing the offending party to stop, the individual may report the conduct to his/her immediate supervisor, a higher supervisory authority, or the Office of the Chief Judge. All complaints shall be immediately forwarded to the Office of the Chief Judge for investigation or other appropriate action. The Office of the Chief Judge is authorized to secure additional and or follow-up information on any complaint of alleged discrimination or sexual harassment. Managers with knowledge of conduct that may be in violation of this policy are required to report such conduct, even in the absence of a complaint.

Whenever practicable, complaints should be in writing, describing the alleged incident(s) of discrimination or harassment, the date(s) and time(s) of the incident(s) and witnesses, if any, to the incident(s).

2. Whenever practicable, complaints should be in writing, and include, but are not limited to: the name of the alleged offending party; the name of the complainant (and the name of the individual being harassed or subject to discrimination, if different than the complainant); a description of the incident(s), including the date(s), time(s), and location(s); a list of witnesses to the incident(s); the steps taken to stop the discrimination or harassment, if any; and any other information the complainant believes to be relevant.

B. Investigation

The interests of all parties are best served by the prompt investigation and resolution of discrimination and harassment complaints. The complaint shall be promptly investigated and every attempt shall be made to promptly resolve the complaint where evidence of discrimination or harassment is found.

The complainant is assured of confidentiality in the investigation to the greatest extent possible, but in order to fully investigate the complaint, it may be necessary to disclose his/her name. Disclosure of the allegation of discrimination or harassment shall be restricted to individuals who have a "need to know" in order to conduct a proper investigation. Prior to initiating investigations involving employees subject to a collective bargaining agreement, the investigator must consult the relevant agreement to determine appropriate union participation in the process.

The investigation shall include the following steps:

1. The investigating party shall conduct an interview with the complainant registering the complaint. The intent of the interview is to obtain a complete account of the incident(s) that led to the complaint. The following information should be sought in the interview: severity of conduct; the number and frequency of acts of alleged discrimination or harassment; the apparent intent of the alleged offender; the relationship of the parties; the response of the complainant at the time of the incident(s); and the relevant work environment.
2. To the extent practicable, the investigating party shall interview all other individuals who witnessed or may have witnessed the incident or who may have knowledge of the incident.
3. The investigating party shall interview the alleged offender and inform the individual that a complaint has been made against him or her. The individual shall be informed that the incident is not to be discussed with co-workers and that retaliatory action against the complainant will not be tolerated.
4. To the extent practicable, the investigating party shall review any other relevant information or evidence and/or interview any other relevant witnesses.
5. The investigating party shall make a written record of the interviews and any other aspects of the investigation.
6. The investigating party shall prepare a written summary of the findings of the investigation and, in appropriate cases, any recommendation for discipline.
7. The appropriate action shall be taken based on the above steps.

The complaint shall not be discussed with anyone other than those directly involved in the incident or the investigation process. This policy of limited disclosure should serve to protect the confidentiality rights of the alleged offender and the complainant.

E. Corrective Action

Complaints and cases of discrimination or harassment will be dealt with promptly. Employees who discriminate against or harass others and/or supervisors who knowingly allow such activities to go on subject themselves to the full range of corrective action up to and including referral to counseling, transfer, reassignment of duties, demotion, suspension and termination.

F. Further Information

Any employee who has questions about this policy should contact their Chief Judge's Office or Court Reporting Services. All inquiries will be handled in the strictest confidence.

G. Appeals

If either party is dissatisfied (the complainant or the alleged offender) with the outcome of the investigation and/or the discipline imposed, that party must within 7 days of being informed of the results of the investigation provide written notification to his/her immediate supervisor, a higher supervisory authority, or the Office of the Chief Judge. The final supervisory authority from whom review of discrimination or harassment proceedings may be sought is the Chief Judge/designee.

For employees disciplined under a collective bargaining agreement, the discipline may be appealed pursuant to the relevant contractual provisions of the collective bargaining agreement.
